Reality Prime Pages From A Journal:

Reality Prime; Pages from a Journal Walter Lowenfels, 1974 **Reality Prime** Walter Lowenfels, 1998 Walter Lowenfels broke major ground as a surrealist and as a political poet. Closely identified with Henry Miller and Anais Nin, he was a key figure in the Paris avant garde during the 1920s and 1930s. Returning to the United States, he became a full-time Communist Party organizer and an editor of *The Daily Worker*, jailed in 1951 for violating the Smith Act. Although he was eventually acquitted, the incident returned him to poetry, and from the early 1960s until his death, he was a familiar presence in non-academic literature. Championing avant garde African American poetry and poetry from America's Third World, he was well known as a politically radical anthologist. *Reality Prime*, the first in the Talisman series *Classic American Poets*, will be the most comprehensive collection of Lowenfels's poetry available. Its cornerstone will be his three Death Elegies, crucial texts for the avant garde during Lowenfels's Paris years; they will appear together for the first time. Walter Lowenfels (1897-1976) was among the principal figures in the revolution of the word, the movement to modernize American writing in the early years of this century. Accomplished first as a surrealist and later as a political writer, Lowenfels early in his career joined Michael Fraenkel and Henry Miller in their so-called death school, which shaped much of his celebrated early work. His leftist affiliations and conviction under the Smith Act, although reversed, led many to view him as a political martyr at a particularly repressive moment in American history. **Proceedings of a Symposium on American Literature** Marta Sienicka, 1979 *Political Affairs*, 1974 A theoretical and political magazine of scientific socialism **Library of Congress Catalog** Library of Congress, 1974-10 Beginning with 1953 entries for motion pictures and filmstrips. Music and phonorecords form separate parts of the Library of Congress catalogue. Entries for maps and atlases were issued separately 1953-1955. **Seria Filologia Angielska**, 1978 *LANGUAGE OF POETRY AND GENERATIVE GRAMMAR* NINA NOWAKOWSKA, 1974

Kosovo Murky Reality Sinisa Ljepojevic, 2008-10-30 Apart from historians, almost nobody in the world heard of Kosovo, a province of Serbia, a small landlocked territory in the heart of the Balkans, until March 24, 1999, when NATO started a bombing campaign against then Federal Republic of Yugoslavia. Since June 1999, Kosovo is under international administration, a kind of the UN protectorate. On 17 February 2008, Kosovo's majority Albanians unilaterally proclaimed independence from Serbia under the supervision of the EU and the NATO. It is illegal and violates the Helsinki Final Act and UN Charter. Less than 40 out of 192 UN member states have recognised Kosovo as independent. Despite the declaration of independence, the international administration is to stay in Kosovo. So Kosovo continues in a state of limbo. Is Kosovo really independent? Kosovo has become a symbol of deep crisis in international relations, much more so than Iraq and Afghanistan. Therefore, Kosovo's case is not closed and the story goes on. However, the fate of Kosovo for the time being does not depend of its citizens but of the international community, and most of all, of its economy. The economy almost does not exist, and the present Kosovo is incapable of standing on its feet. This book is trying to shed a light on those two crucial elements: the

international community policy and Kosovo's economy Witnessing Sidney Bernard, 1977 **Big Brother Naija and Popular Culture in Nigeria** Christopher Isike, Olusola Ogunnubi, Ogochukwu Ukwueze, 2023-02-28 This book is about Big Brother Naija BBN which is a Nigerian version of the Big Brother franchise featured in more than 50 countries of the world with its major concept drawn from George Orwell's novel *Nineteen Eighty-Four*. It is organised and starred by Nigerians but viewed in many parts of the world. The book critically engages this relatively new phenomenon in Nigeria which apparently lacks scholarly attention. It proffers insights into the show's significance and implications for the nation with relation to mental health, morality, cultural di

The One State Reality Michael Barnett, Nathan J. Brown, Marc Lynch, Shibley Telhami, 2023-03-15 The *One State Reality* argues that a one state reality already predominates in the territories controlled by the state of Israel. The editors show that starting with the one state reality rather than hoping for a two state solution reshapes how we regard the conflict, what we consider acceptable and unacceptable solutions and how we discuss difficult normative questions. The *One State Reality* forces a reconsideration of foundational concepts such as state sovereignty and nation, encourages different readings of history, shifts conversation about solutions from two states to alternatives that borrow from other political contexts and provides context for confronting uncomfortable questions such as whether Israel/Palestine is an apartheid state.

Reality Show Howard Kurtz, 2007-10-09 Dan Rather, Tom Brokaw, Peter Jennings. They were on a first name basis with the country for a generation, leading viewers through moments of triumph and tragedy. But now that a new generation has succeeded them, the once glittering job of network anchor seems unmistakably tarnished. In an age of instantaneous Internet news, cable echo chambers and iPod downloads, who really needs the evening news? And by extension, who needs Katie Couric, Brian Williams and Charlie Gibson? But the anchors still have a megaphone capable of cutting through the media static. Their coverage of Iraq helped turn the country against that bloody war, and they are now playing a leading role in chronicling the collapse of George Bush's presidency and the 2008 race to succeed him. Yet even as the anchors fight for ratings supremacy, the mega corporations they work for have handed them a bigger challenge: saving an American institution. In this freewheeling, intimate account of life atop the media pyramid, award-winning bestselling author Howard Kurtz takes us inside the newsrooms and executive suites of CBS, NBC and ABC, capturing the deadline judgments, image making, jealousies and gossip of this high pressure business. Whether it is Couric trying to regain her morning magic while coping with tabloid stories about her boyfriends, Williams reporting from New Orleans and Baghdad while worrying about his ailing father, or Gibson weighing whether to follow his wife into retirement while grappling with having to report the explicit details of sex scandals, Kurtz brings to life the daily battles that define their lives. The narrative reflects an extraordinary degree of access to such
