SAMMI Interview Guide

Your interview will be conducted via SAMMI (Scalable Automated Multiple Mini Interview) using Sammi-Select software. You will be asked a series of pre-recorded questions by members of the University of Surrey's academic community. You will record your answers in response, which will be marked in the weeks following the completion of your interview.

The University of Surrey will select applicants using a 'values based' approach for pre-registration health professions programmes. The aim of the interview is for us to ensure that we choose students who are aligned with the core values of the NHS Constitution.

The interview will involve **7 questions** with a time allocation of **4 minutes** for each one (which includes the time for the question to be read by the pre-recorded panel member). After the recording has finished, the questions will be shared on the screen for you to read and a timer will be displayed at the bottom of the screen.

Please allow **1 hour** for your interview (including time to complete sound and Wi-Fi checks and submit and upload your answers). The upload process can take up to 15 minutes. The link for your interview will be sent to you by email on the morning of your interview date. You will have a week to complete the interview and it must be completed in one sitting.
