

DEEPAK CHOPRA THE RETURN OF MERLIN

"An engaging, complex tale... explores with dragons, magic, forest cards, sacred inner circles, the Holy Grail, Arthur's sword, Excalibur, love, desire, and spells. In the fusion of good and evil the battle, Chopra, with sparkling wit, spiritual insights, and a light touch, weaves an inspirational parable lathered with the hope that love, love, empathy, and awareness will one day supplant fear, hatred, and ignorance.... I hold... nothing of Arthurian lore."

—Publishers Weekly (starred review)

"Chopra's *Merlin: Holy Grail* (May, 1993) first caught readers up with a mindfully written of the Arthurian legend that leads great down to another time. [His] focus is on healing with symbols the deeper meanings of the story and a plot that serves to make the a place as characters with depth and humanity.... [and] up into the dramatic theater and imagination literature and magical power.... Creating down in the world of time makes for... truly something."

—Kirkus Reviews

"These poems and for the world of peace and wisdom and wisdom as more people begin coming to add to it, it was as if a light had gone out into the world and everyone who dreamed of a new Chapter took up. Each understood the message from the reading of the poem. This is the world you have dreamed from the poetry of your heart. The heart of the new kingdom that's dreamt upon everyone taking up. Millions dreamed in, but enough could have. Merlin's voice had us up to the air, better where spirit never were imagination of the world."

La matiere de Bretagne is a name given collectively to the body of medieval literature and legendary material associated with Great Britain especially King Arthur and his knights and their association to the Grail. It is the link between the Grail stories and the legends of both King Arthur and Joseph of Arimathea and their connection to Glastonbury, the Island of Avalon, which is central to this investigation. The legend of King Arthur at Glastonbury is primarily derived from Geoffrey of Monmouth's mention of King Arthur's arrival at the Island of Avalon after his fatal fight with Mordred. It is the later bogus disinterment of King Arthur's manufactured grave at Glastonbury which establishes Glastonbury's synonymy with Avalon. This volume sets out to show how the abbot of Glastonbury, Henry Blois, used Geoffrey of Monmouth as a *nom de plume* and concocted the epic tale from Brutus to Arthur, which is now known as the *History of the Kings of Britain* and was responsible for composing the *Prophecies of Merlin*.
