Seal of the Saints Michel Chodkiewicz, 1993 **Forgotten Saints** Sahar Bazzaz, 2010 In 1894 on the eve of the French conquest of Morocco a young Muslim mystic named Muhammad al Katt n decided to abandon his life of asceticism to preach Islamic revival and jihad against the French Ten years later al Katt n mobilized a socially diverse coalition of Moroccans who called for resistance against French colonization In 1909 he met a violent death at the hands of the same Moroccan anti colonialists he had empowered through his activism Today the government of Morocco regards al Katt n s story as subversive and he has virtually disappeared from the narratives of the early Moroccan anti colonialism and nationalism Despite this silencing al Katt n s remarkable personal transformation and sacrifice is at the heart of the events that although ultimately failing to prevent French rule gave birth to Moroccan nationalism and to modern concepts of Moroccan political power and authority **Forgotten Saints** draws on a diverse collection of previously unknown primary sources to narrate the vivid story of al Katt n and his virtual disappearance from accounts of modern Moroccan history
