Sean Connery:

Sean Connery Michael Feeney Callan,2012-10-31 Among European actors Sean Connery is unparalleled in his achievements Having extended his career from theatrical successes through every genre of film as James Bond he became the backbone of the most lucrative movie franchise in history Born in an Edinburgh tenement Sean Connery later served time as a milkman cabinet polisher and art model He turned to acting on a whim and early onstage success in South Pacific translated into a TV and movie career Taking his talents such as The Name of the Rose The Hunt for Red October and The Rock His role as Jimmy Malone in Brian De Palma s The Untouchables won him an Academy Award which many saw as recognition of a body of superlative screen creations over twenty years Sean Connery Christopher Bray,2010 Spirited argumentative and sardonically celebratory this is both a biography of a star and an investigation of what can happen to a man when the images he creates take over his life And it s an analysis of what it means to be star struck a critical tribute to a secular icon who has shaped so many dreams **The Cinematic Connery** A. J. Black,2022-10-13 Scotland s greatest export

The world s first super spy Voted the sexiest man on the planet Sir Sean Connery was a titanic figure on screen and off for over half a century Behind the son of a factory worker growing up in near poverty on the harsh streets of pre war Edinburgh lay a timeless array of motion pictures that spanned multiple decades and saw Connery work across the globe with directors as diverse as Alfred Hitchcock Steven Spielberg and Michael Bay And amongst them his greatest role whether he liked it or not Bond James Bond Author A J Black delves into Connery s life for more than mere biography exploring not just the enormously varied pictures he made including crowd pleasing blockbusters such as The Untouchables or Indiana Jones and the Last Crusade serious minded fare in The Hill or The Offence and his strange sojourns into eclectic fantasy with Zardoz or Time Bandits but also the sweep of a career that crossed movie eras as well as decades From skirmishes with the angry young men of the British New Wave via becoming the cinematic icon of the 1960s as 007 through to a challenging reinvention as a unique older actor of stature in the 1980s this exploration of the Cinematic Connery shows just how much his work reflected the changing movie going tastes political realities and cultural trends of the 20th century and beyond

The Films of Sean Connery Lee Pfeiffer,Philip Lisa,2001 For 40 years Sean Connery has been among the world s most admired and popular actors This edition is both an in depth biography of this international superstar and a complete filmography with 400 photos rare production stills movie posters and lobby cards **Sean Connery, a Biography** Kenneth Passingham,1983-01-01 **Sean Connery** Christopher Bray,2012-06-01 A biography of a star and an investigation of what can happen to a man when the images he creates take over his life Sean Connery s creation of secret agent James Bond invigorated Britain and its cinema allowing a cash strapped morale sapped country in decline to fancy itself still a player on the world stage How can such worship not play havoc with one s soul especially a soul as painfully unprepared for the pressures of stardom as Connery s Spirited and argumentative Christopher Bray s Sean Connery is the story of an actor

learning his craft on the job and at the end of his career of a man pressing his stardom into the service of a burgeoning political awareness *Sean Connery* Andrew Yule,1992 Sean Connery rose from the slums of Scotland to become one of the screen's most enduring and respected stars From James Bond to The Man Who Would Be King The Untouchables to The Hunt for Red October his career has been diverse and spectacular Now he emerges as a minefield of contradiction in this candid inside portrait Photographs **Sean Connery** Andrew Spicer,2022-06-21 Sean Connery was one of cinema's most iconic stars Born to a working class family in Edinburgh he held jobs as a milkman and an artist's model before making the move into acting The role of James Bond earned him global fame but threatened to eclipse his identity as an actor This book offers a new perspective on Connery's career It pays special attention to his star status while arguing that he was a risk taking actor who fashioned an impressive body of work Beginning with Connery's early appearances on stage and television including well received performances in Shakespeare and Tolstoy the book goes on to explore the Bond phenomenon and Connery's long struggle to reinvent himself An Oscar winning performance in The Untouchables marked the beginning of a second period of stardom during which Connery successfully developed the character of the father mentor Ten years after his retirement from acting he was still rated as the most popular British star among American audiences Exploring how Connery's performances combine to form an all encompassing screen legend the book also considers how the actor embodied national identity both on screen and through his public role as an activist campaigning for Scottish independence **Arise Sir Sean Connery** John Parker,2005 Sean Connery is one of the world's true superstars applauded by critics and filmgoers alike Now John Parker traces the rise to stardom of the tough Edinburgh street kid who left school at the age of thirteen Arriving in London with gold teeth and tattoos to seek his fortune in the meat market of bodybuilding Connery fought against snobbery to become a self taught Shakespearean actor Then came the big break Auditioning for the part of James Bond he told producers with typical bluntness how Bond should be played and it landed him the job and overnight stardom Connery went on to become one of the world's most versatile highly paid actors winning an Oscar for his role in The Untouchables Here John Parker offers an engaging portrait of one of the most glamorous talented and complex actors in movie history **Sean Connery** Michael Feeney Callan,1983
