Sean O'Casey From Times Past:

Sean O'Casey Brooks Atkinson, Robert G. Lowery, 2019-08-08 Sean O'Casey 1880-1964 was a celebrated but reclusive Irish playwright, writer and individual. If you crossed him you went on his enemies list and suffered his wrath in writings and mutterings, whether public or private. In 1958 he banned all productions of his plays in Ireland when the Archbishop of Dublin refused to offer a votive mass at a festival in which works of his and James Joyce were being aired. However, he was also enigmatic, a professed Communist and hater of organized religion and dogma, but who seemed centered in a faith in God and most people, but especially in life. It was life and family he celebrated in his plays, books and personal life, and though some of his works are tragic in nature, they do not celebrate tragedy but simply point to the gusto in life. Brooks Atkinson's *Sean O'Casey From Times Past* pulls from Atkinson's numerous reviews of O'Casey, with whom he shared a friendship and mutual admiration. With the assist of O'Casey scholar Robert G. Lowery, Atkinson filters these celebrations of life, which O'Casey draws with an artist's verve and brush, highlighting in O'Casey's plays, essays and autobiographical works the stings and joys that are part of every one of us.

Sean O'Casey Brooks Atkinson, 1982-06-18 **Sean O'Casey** Christopher Murray, 2004-11-08 Sean O'Casey was the quintessential Dublin playwright. In critical works that include his *Dublin Trilogy* *The Shadow of a Gunman*, *Juno and the Paycock* and *The Plough and the Stars*, he portrayed the traumatic birth of a nation and delved into the Irish national character. Christopher Murray's *Sean O'Casey: Writer at Work* takes a fresh look at the last of the great writers of the Irish literary revival.

Sean O'Casey: A Bibliography of Criticism E.H. Mikhail, 1972-06-18 **The Theatre of Sean O'Casey** James Moran, 2013-12-04 This Critical Companion to the work of one of Ireland's most famous and controversial playwrights, Sean O'Casey, is the first major study of the playwright's work to consider his oeuvre and the archival material that has appeared during the last decade. Published ahead of the centenary of the 1916 Easter Rising in Ireland, with which O'Casey's most famous plays are associated, it provides a clear and detailed study of the work in context and performance. James Moran shows that O'Casey not only remains the most performed playwright at Ireland's national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters. Since the start of the Troubles in the North of Ireland, his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history. Moran's admirably clear study considers the writer's plays, autobiographical writings and essays, paying special attention to the Dublin trilogy *The Shadow of a Gunman*, *Juno and the Paycock* and *The Plough and the Stars*. It considers the work produced in exile during the war and the late plays. The Companion also features a number of interviews and essays by other leading scholars and practitioners, including Garry Hynes, Victor Merriman and Paul Murphy, which provide further critical perspectives on the work.

Irish Drama and the Other Revolutions Susan Cannon Harris, 2017-06-23 The first modern Irish playwrights emerged in London in the 1890s at the intersection of a rising international socialist movement and a new

campaign for gender equality and sexual freedom Irish Drama and the Other Revolutions shows how Irish playwrights mediated between the sexual and the socialist revolutions and traces their impact on left theatre in Europe and America from the 1890s to the 1960s Drawing on original archival research the study reconstructs the engagement of Yeats Shaw Wilde Synge O Casey and Beckett with socialists and sexual radicals like Percy Bysshe Shelley William Morris Edward Carpenter Florence Farr Bertolt Brecht and Lorraine Hansberry

Banned in Boston Neil Miller, 2011-09-20 A lively history of the Watch and Ward Society New England's notorious literary censor for over eighty years Banned in Boston is the first ever history of the Watch and Ward Society once Boston's unofficial moral guardian An influential watchdog organization bankrolled by society's upper crust it actively suppressed vices like gambling and prostitution and oversaw the mass censorship of books and plays A spectacular romp through the Puritan City here Neil Miller relates the scintillating story of how a powerful band of Brahmin moral crusaders helped make Boston the most straitlaced city in America forever linked with the infamous catchphrase banned in Boston

Unconventional Conventions in Theatre Texts Günter Ahrends, Hans-Jürgen Diller, 1990

Ritual Remembering, 2021-11-15 Most of the essays in *Ritual Remembering* History Myth and Politics in Anglo Irish Drama in part or in whole frequently allude or directly concern themselves with the dramatic representation of the opposition or the collusion of myth and history and the uses and abuses of both Equally they celebrate and critically analyse the politics of the social conscience and social consciousness which pervades Irish drama in its rituals of forgetfulness and memory Perhaps myth is above all to be understood as the conscience and consciousness of history and politics is the projection of that myth into present social action on the hustings nowadays more frequently the television hustings at the ballot box in writing and on the stage Most of the articles in this volume revolve around these gravely portentous and ambivalent themes which nobody who is as much concerned with Anglo Irish relations as with Anglo Irish literature can disregard or evade

O'Casey Annual, 1985
