Constable,2000 Kathleen Constable s ambitious work *A Stranger Within the Gates* investigates fully Bront s Irish heritage and the way in which it is reflected in her literary endeavours including *Jane Eyre* and *Shirley* Constable draws on primary sources to illuminate the relations of Ireland and England then gives a conclusive literary background of the Bront family An analysis of both Bront s juvenile and mature pieces reveals the persistence of Irish characters Irish nouns and Irish narrative elements that Constable argues point to Bront s Irish consciousness The use of mask and theater in *Jane Eyre* is discussed as an anti colonial construct within the Victorian novel Finally Constable places *Jane Eyre* in the Big House literary tradition Together the four sections of this work aim to connect otherwise separate and unrelated fields of literary study the Victorian Novel and the Irish experience **Phillis Wheatley** Vincent Carretta,2014-01-30 With Poems on Various Subjects Religious and Moral 1773 Phillis Wheatley 1753 1784 became the first English speaking person of African descent to publish a book and only the second woman of any race or background to do so in America Written in Boston while she was just a teenager and when she was still a slave Wheatley s work was an international sensation In *Phillis Wheatley* Vincent Carretta offers the first full length biography of a figure whose origins and later life have remained shadowy despite her iconic status A scholar with extensive knowledge of transatlantic literature and history Carretta uncovers new details about Wheatley s origins her upbringing and how she gained freedom Carretta solves the mystery of John Peters correcting the record of when he and Wheatley married and revealing what became of him after her death Assessing Wheatley s entire body of work Carretta discusses the likely role she played in the production marketing and distribution of her writing Wheatley developed a

remarkable transatlantic network that transcended racial class political religious and geographical boundaries Carretta reconstructs that network and sheds new light on her religious and political identities In the course of his research he discovered the earliest poem attributable to Wheatley and has included it and other unpublished poems in the biography Carretta relocates Wheatley from the margins to the center of her eighteenth century transatlantic world revealing the fascinating life of a woman who rose from the indignity of enslavement to earn wide recognition only to die in obscurity a few years later

Byron and Scott Roderick S. Speer,2009-03-26 Literary historians have repeatedly observed that while Scott as a poet was the first British literary lion of the nineteenth century his fame was supplanted by Byron as a poet starting in 1812 But that is as far as they take the relationship seriously for the two writers are traditionally thought of as very different even as political and temperamental opposites But in fact the two writers met each other in 1815 liked each other and cherished their friendship the rest of their lives The story of their relationship in personal terms was not over Nor was the literary relationship this study ventures Scott embarked on an entirely new career in 1814 inventing the historical novel Byron was swept away by these Waverley novels and in his years of exile to the Continent from 1816 on repeatedly beseeched his publisher to send Scott s latest novels The position here is that those novels were important to Byron s development in both literary and existential respects Byron s historical dramas his Don Juan The Island and his final fling into the Greek Revolution show an evolution of both the Byronic Hero and Byron himself in a context his friend Scott had opened up for him
