James Charles Roy

Search For The Soul Of Ireland:

The Soul of Ireland W. J. Lockington, 1920 Irish on the Inside Tom Hayden, 2003 Tom Hayden explores the losses wrought by Irish American conformism in his own life and beyond **The Back Of Beyond** James Charles Roy, 2009-02-18 James Charles Roy a noted authority on Irish history and travel escorts a disparate group of Americans through the lonely backwaters of ancient Ireland Visions of a glorious enterprise evaporate as he sees a dejected and weary handful of aged American tourists disembark at Shannon Airport Fortified by Guinness Roy hurls himself into sharing with them the joys and wonders of Ireland s twisted byways Determined to avoid cliché Roy leads his group to obscure Celtic coronation sites monasteries and remote abbeys as he spins a narrative that pulls Ireland s chaotic story into coherence His unsuspecting charges begin to shed their hesitations relishing their guide s idiosyncratic approach to Ireland Black comedy aside Roy touches an emotional chord how the economic phenomenon known as the Celtic Tiger has transformed Old Ireland into a high tech power At the tour s end Roy embarks alone for the inaccessible Ardoilean a seventh century Celtic hermitage in County Galway His vision of an Ireland lost forever is an emotional tour de force **The Soul of Ireland** William Joseph Lockington, 1920 **Irish Stereotype in American Cinema** Piotr Szczypa, 2021-08-04 Discussing the role of violence in the Irish stereotype this book is a fascinating story of the changing perception of the Irish in America as told by American cinema From *Levi and Cohen Irish Comedians 1903* to *The Irishman 2019* some of the productions analyzed here are timeless classics others have almost been forgotten What they have in common is the presence of violence as the key ingredient in the construction of Irish characters In his insightful study Piotr Szczypa employs imagological perspective to investigate the evolution of their portrayal in American films showing not only how the Irish have adjusted to America but also how America has embraced Irishness **The Nation** , 1919 **Ireland, Colonialism, and the Unfinished Revolution** Robbie McVeigh, Bill Rolston, 2023-11-14 A groundbreaking examination of the colonial legacy and future of Ireland showing how Ireland s story is linked to and informs anti imperialism around the world Colonialism is at the heart of making sense of Irish history and contemporary politics across the island of Ireland And as Robbie McVeigh and Bill Rolston argue Ireland s experience is central to understanding the history of colonization and anti colonial politics throughout the world Part history part analysis *Ireland Colonialism and the Unfinished Revolution* charts the centuries of Irish colonial history from England s proto imperial engagement with Ireland in 1155 to the Union in 1801 and the subsequent struggles for Irish independence and the legacies of partition from 1921 A century later the plate tectonics of Irishness are shifting once again The Union is in crisis and alternatives to partition are being seriously considered outside the Republican tradition for the first time in generations These significant structural changes suggest that the coming times might finally see the completion of the decolonization project the finishing of the revolution In the words of the revolutionary Pdraig Pearse Anois ar theacht an tSamhraidh now the summer is coming **Faith, Morality and Being Irish** Philip Leroy Kilbride, Noel J. J. Farley, 2007 In

the minds of many the nineteenth century Irish famine seemed to create an environment that later produced an avoidance of marriage drunkenness violence and mental illness If ever predominant in Irish cultural behavior those moments have passed As a result Professors Philip L Kilbride and Noel J J Farley outline the positive contributions the contemporary Irish make to the world around them particularly Africa From this generosity emerges as a major Irish cultural virtue The authors trace it from the Celtic period showing how it became a central concern of Roman Catholics from the nineteenth century to today Professors Kilbride and Farley use ethnographic techniques and narrative perspective to focus on the life of an Irish entrepreneur and philanthropist who has lived in Africa since 1970 They also illuminate the missionary work in Kenya of an Irish Jesuit and others of Irish heritage there These accounts coupled with other narratives and historical evidence detail the prevalence and practice of Irish generosity to further document what they conclude is an Irish caring tradition This volume will be of interest to a wide audience including anthropologists economists historians philosophers political scientists sociologists theologians and Irish and African studies programs It is accessible to undergraduate and graduate students as a supplemental reading within the varieties of fields aforementioned Book jacket

Crime, Punishment and the Search for Order in Ireland Shane Kilcommins, 2004

Irish Americans William E. Watson, Eugene J. Halus Jr., 2014-11-25

Virtually every aspect of American culture has been influenced by Irish immigrants and their descendants This encyclopedia tells the full story of the Irish American experience covering immigration assimilation and achievement The Irish have had a significant impact on America across three centuries helping to shape politics law labor war literature journalism entertainment business sports and science This encyclopedia explores why the Irish came to America where they settled and how their distinctive Irish American identity was formed Well known Irish Americans are profiled but the work also captures the essence of everyday life for Irish Americans as they have assimilated established communities and interacted with other ethnic groups The approximately 200 entries in this comprehensive one stop reference are organized into four themes the context of Irish American emigration political and economic life cultural and religious life and literature the arts and popular culture Each section offers a historical overview of the subject matter and the work is enriched by a selection of primary documents
