

A dramatic landscape photograph featuring a narrow, light-colored path that leads from the foreground into a dark, rocky gorge. The path is flanked by high, craggy cliffs. In the distance, the path opens up to a view of the ocean under a sky with soft, golden light, suggesting a sunset or sunrise. The overall mood is contemplative and serene.

Those that go searching for love only make
manifest their own lovelessness, and the
loveless never find love, only the loving
find love, and they never have to seek for it.

unknowingly in her heart until she finally discovered it then artistically crafted her experience with a feather Rarely does a book touch my heart and inspire me like that Fadel Soliman Bridges Translation of the Ten Qira at of the Noble Quran One of my earliest memories is of contemplating God I was a freckle faced girl of five sitting quietly in catechism class when the teacher casually said God is bigger than everything The words hit me like a blast force The classroom disappeared the teacher s voice muted and I gasped at the revelation Bigger than the tallest tree in the yard Bigger than a mountain Bigger than the world The enormity of God impressed me but I couldn t help wondering If He is bigger than anything where is He In this inspirational memoir Teresa Leshner shares her search for God She explores factors that have made her who she is as well as influencers who shape who she aspires to be and who lead her in her quest for the Divine She dissects basic concepts that have been essential for her understanding of God as well as paradigms that shape her experience of Him She shares her journey along the Divine Path and closer to Divine Presence through expressions of submission to Him This quest for God takes her to her innermost self and ends with a discovery of life an understanding of love and a commitment to truth
