

Seaside Interiors

Ellen M. Plante

Seaside Interiors:

Interior Style: Coastal Jena Quinn, Lucy Derbyshire, 2024-07-04 Expansive sun drenched spaces unobstructed views to the outdoors and easy going comfort coastal design captures the spirit and escapism of seaside living Illustrated with breathtaking interiors and inspirational showpiece homes Interior Style Coastal traces the evolution of the aesthetic from the white villas of the Riviera to the California Look of the USA s West Coast With in depth professional advice on how to use elements such as colour texture and pattern you will discover how to bring the tranquillity of coastal life into your home

Southwest Florida: History, Architecture and Real Estate Michael A. Fornaro PhD., 2023-11-05 People move to Southwest Florida for a variety of reasons The region s warm and sunny climate is a major draw for many people Southwest Florida offers mild winters and hot summers which is appealing to individuals seeking to escape colder climates or regions with harsher weather conditions

Cottage Living Ellen M. Plante, 2000 Presents decorating tips for cottages by the sea on the lakefront in the open countryside and in the woods and mountains covering furnishings window treatments floors lighting storage ideas and accessories and provides more than 150 color photos a section on outdoor rooms and a source directory

Seaside Living The Images Publishing Group, 2015-08-28 Seaside Living 50 Remarkable Houses features a breathtaking hand picked collection of innovative designs in contemporary residential beachside architecture showcased with stunning full colour photography This book celebrates our connection to the seaside whether as a summer playground winter hideaway or permanent abode there is nothing quite so relaxing as living by the water Images Publishing has carefully selected projects that underscore and demonstrate the dramatic and coherent blend of beautiful architecturally designed houses and the spectacular range in ecology and topography of coastal environments Among the projects in this book are stunning beach houses that range from peaceful retreats to edgy designer homes spanning the world over including an extensive range from Europe the United States Australia and New Zealand Seaside Living explores how homes are designed to celebrate their enviable beachfront positions allowing their inhabitants to form an ingenious bond with the natural landscape Some houses are adapted from ramshackle retreats into modern glass and steel structures that frame the magnificent ocean views Other residences reflect the architect s vision of working with sustainable materials promoting both beauty and longevity opting for a material palette that relies on suitability from the harsh corrosive salt spray environment and representation with the location reminiscent of flotsam rich but weathered

Seaside Interiors Diane Dorrans Saeks, 2004-06-01 **Catalogue** Sotheby, Wilkinson & Hodge, 1876

Sister Parish Design: On Decorating Susan Bartlett Crater, Libby Cameron, 2009-10-27 Comfort is the essential element of a successful interior and the hallmark of the Parish Hadley style In Sister Parish Design Libby Cameron Sister s last prot g and Susan B Crater Sister s granddaughter explore this aspect and much more in a series of conversations with the leading decorators of today Sister Parish is the iconic American decorator of her generation Her use of flowered chintzes and overstuffed armchairs combined with unexpected items like patchwork

quilts and painted furniture is credited with popularizing what is known as American Country style during the 1960s Her passion for bold color and mixed patterns invoked charm imagination and a lived in look to her rooms Her philosophy was to be unafraid and to put things together because you liked them not because they matched Filled with beautifully rendered watercolor illustrations Sister Parish Design is more than just a stunning book it is an inspirational resource that all decorating aficionados will want to add to their bookshelf **Taste** Drew Plunkett, 2020-03-19 Democratic in intention and approach the book will argue that the home interior as independently created by the amateur householder offers a continuous informal critique of shifting architectural styles most notably with the advent of Modernism and the design mainstream Indeed it will suggest that the popular increasingly exerts an influence on the professional Underpinned by academic rigour but not in thrall to it above all this book is an engaging attempt to identify the cultural drivers of aesthetic change in the home extrapolating the wider influence of taste to a broad audience both professional and trade In so doing it will explore enthralling territory money class power and influence Illustrated with contemporary drawings and cartoons as well as photos the book will not only be an absorbing read but an enticing and attractive object in itself **A Dark, a Light, a Bright** Alexa Griffith Winton, Susan Brown, 2023-01-01 The first major publication devoted to weaver and designer Dorothy Liebes reinstating her as one of the most influential American designers of the twentieth century At the time of her death Dorothy Liebes 1897 1972 was called the greatest modern weaver and the mother of the twentieth century palette As a weaver she developed a distinctive combination of unusual materials lavish textures and brilliant colors that came to be known as the Liebes Look Yet despite her prolific career and recognition during her lifetime Liebes is today considerably less well known than the men with whom she often collaborated including Frank Lloyd Wright Henry Dreyfuss and Edward Durrell Stone Her legacy also suffered due to the inability of the black and white photography of the period to represent her richly colored and textured works Extensively researched and illustrated with full color accurate reproductions this important publication examines Liebes s widespread impact on twentieth century design Essays explore major milestones of her career including her close collaborations with major interior designers and architects to create custom textiles the innovative and experimental design studio where she explored new and unusual materials her use of fabrics to enhance interior lighting and her collaborations with fashion designers including Clare Potter and Bonnie Cashin Ultimately this book reinstates Liebes at the pinnacle of modern textile design alongside such recognized figures as Anni Albers and Florence Knoll Published in association with Cooper Hewitt Smithsonian Design Museum Exhibition Schedule Cooper Hewitt Smithsonian Design Museum July 7 2023 February 4 2024 Catalogue of a collection of etched and engraved works by the best masters, formed ... by James Anderson Rose ... which will be sold by auction James Anderson Rose, 1876
