Seasons With Mitch Catherine Lockman Zabel, 2019-09-24 This book is an inspiring collection of devotionals gleaned from nature walks with the author's dog. Through conversations and experiencing truths played out through daily walks with Mitch, the author writes about adventures and misadventures during the four seasons. As nature becomes a backdrop and a blackboard for lessons learned along the way, the changing of the seasons marks the passing of time in dog and master's lives. Whether it is the night of the feared dognapping of her best four-footed friend or an encounter on the highway with a state trooper in her speed demon red car, God inevitably shows up with a reminder from scripture or His own special kind of intervention. Sometimes the reader is treated to conversations between master and canine which point to greater truths from a greater Master. Come along and enjoy a walk from your favorite armchair or reading spot. You can read as little or as much as you like without spoiling a single adventure. Miracles, angels, and divine intervention: the author encounters them all as just another blessed day in the journey of a believer.
