Seasons of Love Eleanor Sampeck, 2004 Twenty five years ago an extended family made a return to nature move to the country This magical book is the record of their struggles and growth The book achieves its vividly realistic tone by covering the family s lived experience from joy to sorrow life and death and lofty to such mundane details as manure for the garden Its pages are populated by four generations unusual in a time when the nuclear family is everything Although the work is supported by sound theological and psychological theory it never lingers too long in these realms but continues to continue the daily drama of one family s risky living of the gospel *Dance in the Rain* Shirley G. Holland, 2022-11-15 I am writing about the mistakes I have made so that you may avoid them on your journey of faith If you have made similar mistakes I hope this book will help you realize that you are not alone I pray you will be encouraged that you can overcome those mistakes and they can be important moments of learning that you benefit from as painful as they may be at that moment Mostly I hope that you will realize that Jesus Christ will forgive you of your mistakes If you have made mistakes if you have experienced despair because of them and if you have grieved over them I pray you will also find the peace and joy and the awe and wonder of Jesus Christ that you may not have experienced before peace joy awe and wonder that cannot be found anywhere else If you have struggled as I have to live more faithfully this book is for you Our mistakes do not deprive us of God s love but often reveal his love for us Often they teach us that Jesus Christ is the remedy the balm the redemption of all the mistakes we have made I pray you will discover that he is for you too
