Mayor's Office of Film & Video, 2002 Bringing History to Life through Film Kathryn Anne Morey, 2013-12-12 Whether re creating an actual event or simply being set in a bygone era films have long taken liberties with the truth While some members of the audience can appreciate a movie without being distracted by historical inaccuracies other viewers are more discerning From revered classics like *Gone with the Wind* to recent award winners like *Argo* Hollywood films often are taken to task for their loose adherence to the facts But what obligation do filmmakers have to the truth when trying to create a two hour piece of entertainment In *Bringing History to Life through Film The Art of Cinematic Storytelling* Kathryn Anne Morey brings together essays that explore the controversial issue of film as a purveyor of history Examining a range of films including highly regarded features like *The Last of the Mohicans* and *Pan's Labyrinth* as well as blockbuster franchises like *Pirates of the Caribbean* chapters demonstrate that the debate surrounding the role of history on film is still as raw as ever Organized in five sections these essays discuss the myths and realities of history as they are portrayed on film from Nostalgic Utopias to Myths and Fairy Tales The fourteen chapters shed light on how films both convey and distort historical realities to capture the essence of the past rather than the past itself Ultimately they consider what role cinema plays as the quintessential historical storyteller In addition to cinema and media studies this book will appeal to scholars of history and fans of a wide range of cinematic genres **Explorer's Guide The Seattle & Vancouver Book** Ray Chatelin, 2005-06-07 This book reveals the differences between Seattle and Vancouver as well as the similarities of the two cities and it serves as an exuberant and insightful guide to discovering and enjoying their unique offerings Included is contact information for lodging dining shopping and recreational activities plus a calendar of events photos and maps **How to Read a Film** James Monaco, 1981 Now thoroughly revised and updated the book discusses recent breakthroughs in media technology including such exciting advances as video discs and cassettes two way television satellites cable and much more Seattle's Belltown Clark Humphrey, 2007 When most of Seattle's original founders settled at today's Pioneer Square William Bell set up his own neighborhood a couple of miles up the waterfront Bell's Town grew in the early 20th century when Seattle leveled the
