Mexican Color Elena Poniatowska, Amanda Seville Holmes, 1998 A treasure trove of lifestyle ideas that encourages readers to bring the richness of vibrant hues into their own lives and homes 200 color photos *Color Language and Color Categorization* Jonathan Brindle, Geda Paulsen, Mari Uusküla, 2016-08-17 This volume represents a unique collection of chapters on the way in which color is categorized and named in a number of languages Although color research has been a topic of focus for researchers for decades the contributions here show that many aspects of color language and categorization are as yet unexplored and that current theories and methodologies which investigate color language are still evolving Some core questions addressed here include How is color conceptualized through language What kind of linguistic tools do languages use to describe color Which factors tend to bias color language What methodologies could be used to understand human color categorization and language better How do color vocabularies evolve How does context impact the color cognition The chapters collected here adopt different theoretical and methodological approaches in describing new empirical research on how the concept of color is represented in a variety of different languages Researchers in linguistics psychology and cognitive science present a set of new explorations and challenges in the area of color language The book promotes several methodological and disciplinary dimensions to color studies The color category is given an in depth and broad based examination so a reader interested in color conceptualization for itself will be able to form a solid vision of the subject

Modern Jeweler's Consumer Guide to Colored Gemstones David Federman, 2012-12-06 Since early 1989 a gem dealer I've known for years has been calling me every few weeks to brief me on mounting mayhem in Colombia's lucrative emerald market The troubling gist of these calls is always this There is a full fledged turf war going on between that South American country's bustling drug and gem trades for control of its emerald export business According to this dealer and several others anywhere from two to four thousand emerald industry people mostly miners and dealers have been murdered since 1980 No doubt the gem sector itself never gun shy has retaliated in full and in kind After all the two groups have banded together in an intermittent alliance against a common enemy Communist guerillas with results the CIA would envy I mention this bloodshed because of something the gem dealer once said to me I bet you never think of what a gem has to go through to get to a jewelry store He's right I tend to think of colored stones as things of beauty not objects of gruesome power struggles between mining kingpins and drug lords Can you blame me or anyone with insider knowledge if a gem sheds any connection with its past once sculpted by a cutter into the glittering marvel we see in a jeweler's showcase Like Odysseus listening to the sirens song we become victims of an aesthetics induced amnesia Color + Design Ron Reed, 2017-01-19 The second edition of *Color Design Transforming Interior Space* presents color theory in terms of design principles such as balance rhythm emphasis proportion unity and variety This new edition includes an updated art program with expanded coverage of current commercial and residential environments updated insights into how people perceive color

Documents,1988 *Abstract Barrios* Johana Londoño,2020-08-10 In *Abstract Barrios* Johana Londoño examines how Latinized urban landscapes are made palatable for white Americans Such Latinized urban landscapes she observes especially appear when whites feel threatened by concentrations of Latinx populations commonly known as barrios Drawing on archival research interviews and visual analysis of barrio built environments Londoño shows how over the past seventy years urban planners architects designers policy makers business owners and other brokers took abstracted elements from barrio design such as spatial layouts or bright colors to safely Latinize cities and manage a long standing urban crisis of Latinx belonging The built environments that resulted ranged from idealized notions of authentic Puerto Rican culture in the interior design of New York City's public housing in the 1950s which sought to diminish concerns over Puerto Rican settlement to the Fiesta Marketplace in downtown Santa Ana California built to counteract white flight in the 1980s Ultimately Londoño demonstrates that abstracted barrio culture and aesthetics sustain the economic and cultural viability of normalized white and middle class urban spaces *Monthly Catalog of United States Government Publications* , **Colors for Kids: A Colorful World**

Racism and Anti-racism in Latin America Mónica G. Moreno Figueroa,Peter Wade,2025-04-18 This book highlights the growing mainstream focus on racism and anti racism in Latin America It reveals the diverse social transformation projects addressing racism reflecting a complexity not previously evident Inspired by a research project involving Indigenous and Black organizations the chapters in this book explore cases in Brazil Colombia Ecuador and Mexico where anti racist efforts are significant though not always central to organizational agendas These chapters share a common theme of valuing varied

anti racist actions and discourses while critically acknowledging the structural shifting nature of racism The issues explored are racial visibility naming racism racial data legal rights and recognition entrepreneurship mestizo identity the possibilities of alliances and racially aware struggles against class and gendered oppression Though not exhaustive the chapters provide valuable insights into the antiracist shift in Latin America offering broader perspectives on global anti racism efforts This book was originally published as a special issue of the Ethnic and Racial Studies journal Caging Borders and Carceral States Robert T. Chase,2019-04-09 This volume considers the interconnection of racial oppression in the U S South and West presenting thirteen case studies that explore the ways in which citizens and migrants alike have been caged detained deported and incarcerated and what these practices tell us about state building converging and coercive legal powers and national sovereignty As these studies depict the institutional development and state scaffolding of overlapping carceral regimes they also consider how prisoners and immigrants resisted such oppression and violence by drawing on the transnational politics of human rights and liberation transcending the isolation of incarceration detention deportation and the boundaries of domestic law Contributors Dan Berger Ethan Blue George T D az David Hernandez Kelly Lytle Hern ndez Pippa Holloway Volker Janssen Talitha L LeFlouria Heather McCarty Douglas K Miller Vivien Miller Donna Murch and Keramet Ann Reiter **Biennial Report** Louisiana State Museum,1922 **Latin American Women Writers** Kathy S. Leonard,2007-09-19 There is a wealth of published literature in English by Latin American women writers but such material can be difficult to locate due to the lack of available bibliographic resources In addition the various types of published narrative short stories novels novellas autobiographies and biographies by Latin American women writers has increased significantly in the last ten to fifteen years To address the lack of bibliographic resources Kathy Leonard has compiled Latin American Women Writers A Resource Guide to Titles in English This reference includes all forms of narrative short story autobiography novel novel excerpt and others by Latin American women dating from 1898 to 2007 More than 3 000 individual titles are included by more than 500 authors This includes nearly 200 anthologies more than 100 autobiographies biographies or other narrative and almost 250 novels written by more than 100 authors from 16 different countries For the purposes of this bibliography authors who were born in Latin America and either continue to live there or have immigrated to the United States are included Also titles of pieces are listed as originally written in either Spanish or Portuguese If the book was originally written in English a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published This volume contains seven indexes Authors by Country of Origin Authors Titles of Work Titles of Work Authors Autobiographies Biographies and Other Narrative Anthologies Novels and Novellas in Alphabetical Order by Author and Novels and Novellas by Authors Country of Origin Reflecting the increase in literary production and the facilitation of materials this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market This work of reference will be of special interest to

scholars students and instructors interested in narrative Modernity and the Architecture of Mexico Edward R. Burian, 2010-06-28 Since the mid 1970s there has been an extraordinary renewal of interest in early modern architecture both as a way of gaining insight into contemporary architectural culture and as a reaction to neoconservative postmodernism This book undertakes a critical reappraisal of the notion of modernity in Mexican architecture and its influence on a generation of Mexican architects whose works spanned the 1920s through the 1960s Nine essays by noted architects and architectural historians cover a range of topics from broad based critical commentaries to discussions of individual architects and buildings Among the latter are the architects Enrique del Moral Juan O Gorman Carlos Obregón Santacilia Juan Segura Mario Pani and the campus and stadium of the Ciudad Universitaria in Mexico City Relatively little has been published in English regarding this era in Mexican architecture Thus Modernity and the Architecture of Mexico will play a groundbreaking role in making the underlying assumptions ideological and political constructs and specific architects' agendas known to a wide audience in the humanities Likewise it should inspire greater appreciation for this undervalued body of works as an important contribution to the modern movement **The Pharmaceutical Era** ,1898 Manufacturing Jeweler ,1928
