Jeremy Jones

Modern History Of Oman:

A History of Modern Oman Jeremy Jones, Nicholas Ridout, 2015-08-31 The ideal introduction to the history of modern Oman from the eighteenth century to the present this book combines the most recent scholarship on Omani history with insights drawn from a close analysis of the politics and international relations of contemporary Oman Jeremy Jones and Nicholas Ridout offer a distinctive new approach to Omani history building on postcolonial thought and integrating the study of politics and culture The book addresses key topics including Oman's historical cosmopolitanism the distinctive role of Omani Islam in the country's social and political life Oman's role in the global economy of the nineteenth century insurrection and revolution in the twentieth century the role of Sultan Qaboos in the era of oil and Oman's unique regional and diplomatic perspective on contemporary issues A Modern History of Oman Francis Owtram, 2004-06-25 A Modern History of Oman details the British influence in Oman from early contacts with the Sultan of Muscat in 1800 The discovery of oil in the region in 1932 following earlier Middle East discoveries increased the key strategic importance of Oman and set the pattern for the 20th century The modernizing Sultan Qabus supported by the British seized power by a coup in 1970 confirmed Oman's position as a key state in the Persian Gulf region This illuminating work is based on state documents from Europe US Japan and the Arab world covering Oman and Western geopolitical policy A History of Modern Oman Jeremy Jones, Nicholas Ridout, 2015-08-31 The ideal introduction to the history of modern Oman from the eighteenth century to the present this book combines the most recent scholarship on Omani history with insights drawn from a close analysis of the politics and international relations of contemporary Oman Jeremy Jones and Nicholas Ridout offer a distinctive new approach to Omani history building on post colonial thought and integrating the study of politics and culture The book addresses key topics including Oman's historical cosmopolitanism the distinctive role of Omani Islam in the country's social and political life Oman's role in the global economy of the nineteenth century insurrection and revolution in the twentieth century the role of Sultan Qaboos in the era of oil and Oman's unique regional and diplomatic perspective on contemporary issues Sultan Qaboos and Modern Oman, 1970-2020 Allen James Fromherz, Abdulrahman al-Salimi, 2024-02-14 Explores the social cultural legal and religious changes that occurred in Oman during the reign of Sultan Qaboos *Oman and Muscat* Patricia Risso, 2016-02-12 During the early modern period Oman held a key position in the trade routes whereby the Muslim world dominated indigenous trade in the Indian Ocean In the second half of the eighteenth century Oman broke free from foreign political control and became the dominant economic and naval force in the western Indian Ocean and the Gulf This was a golden age for Omanis when their economic power and political prestige were at their height This study first published in 1986 presents a detailed comprehensive history of this important period and includes tribal politics the role of religion and Oman's relations with neighbouring areas such as Persia and East Africa The era ends with the political and maritime pressures exerted on Oman by Britain and France and the territorial pressures exerted by the Wahhabi Arabians *Oman:*

the Modernization of the Sultanate Calvin H. Allen, Jr, 2016-02-05 Until the 1970s Oman was an isolated almost medieval kingdom virtually unknown to the outside world The 1970 palace coup that brought Sultan Qaboos b Sa id Al Sa id to power also brought Oman into the twentieth century Development programmes made modernization a rapid process and Oman s location at the entrance to the Straits of Hormuz gave the country an increasing importance to US security interests in the Gulf region Yet despite modernization Oman remains an unknown land This book first published in 1987 dispels some of the mystery by focusing on the land the people and the history It explores the influences on events of trade foreign involvement in Omani affairs and Ibadism the principal sect of Islam in Oman It also emphasizes the role of the Sultan in contemporary Oman The architect of Oman s new age Qaboos has overseen significant changes in the country s political system and rapid economic growth financed by oil exports

Oman Reborn Linda Pappas Funsch, 2015-12-29 The Sultanate of Oman is one of the few good news stories to have emerged from the Middle East in recent memory This book traces the narrative of a little known and relatively stable Arab country whose history of independence legacy of interaction with diverse cultures and enlightened modern leadership have transformed it in less than fifty years from an isolated medieval style potentate to a stable dynamic and largely optimistic country At the heart of this fascinating story is Oman s sultan Qaboos bin Sa id friend to both East and West whose unique leadership style has resulted in both domestic and foreign policy achievements during more than four decades in office Exploring Oman from a historical perspective Funsch examines how the country s unique blend of tradition and modernization has enabled it to succeed while others in the region have failed Accounts of the author s own experiences with Oman s transformation add rich layers of depth texture and personality to the narrative

Traditional Architecture of the Arabian Gulf R. Hawker, 2008-06-10 This book chronicles the florescence of architecture in the Arabian Gulf after the expulsion of the Portuguese in the early 1600 s It demonstrates how the power vacuum created by the collapse of Portuguese control over the trade routes in the Indian Ocean encouraged a growth in fortified architecture especially in Oman that radiated out to the surrounding region and was then slowly replaced by new patterns in domestic and public architecture and town planning throughout the Gulf as the trade lines were secured and the individual countries took the first steps towards the formation of today s modern nation states The book documents the buildings and crafts of this era and analyses them within the framework of the political economic and social information available through primary sources from the period in a way that is both intelligent and accessible It considers the settlements as part of a larger connected network of cities towns and villages and focuses both on how the buildings provided innovative solutions to the demanding climate and yet incorporated new decorative and functional ideas Topics are extensively and richly illustrated with colored photographs of the buildings as they are now black and white and color historic photographs from archival and museum collections line drawings and computer generated reconstructions The book is therefore attractive to a number of audiences including those who live in or travel to the Gulf as well as people with an interest in Arab and Islamic design culture and

society vernacular architecture and post colonial approaches to colonial history **Britain and Oman, c. 1945-1980**

Tancred Bradshaw, 2025-06-20 This book examines the relationship between Britain and Oman since the end of the Second World War up until the Iranian revolution Particular focus is given to the political and economic development of the state together with Britain's various overt and covert interventions principally in the three decades between 1945 and 1975 The author addresses themes which have previously been unexplored in the literature on Oman and British Imperialism in the Arabian Peninsula such as the establishment of the Sultan's Armed Forces and the impact of the oil industry The book shows that Sultan Said bin Taymur r 1932 1970 enjoyed considerable agency in his relations with the British who found it very difficult to persuade him to implement economic development and establish relations with his neighbours Britain's relations with successive sultans were deliberately concealed including the contribution of special forces in fighting Oman's insurgencies It is widely argued that when Qaboos bin Said became Sultan in 1970 a renaissance occurred however many newly discovered documents have called this into question They reveal how an inexperienced Sultan came to power with covert British support and Whitehall's direction of the war in Dhofar from afar These documents highlight the extent of British intelligence cooperation and psychological warfare planning to counter the insurgents in Dhofar However as this book demonstrates the Sultan also relied on non British advisors known as the mafia to secure financial assistance and establish diplomatic ties across the Middle East Finally the book details how British defence assistance continued well beyond the retreat from empire in the Persian Gulf **Oman - The Islamic Democratic Tradition** Hussein Ghubash, 2014-02-04

Oman is the inheritor of a unique political tradition the imama imamate and has a special place in the Arab Islamic world From the eighth century and for more than a thousand years the story of Oman was essentially a story of an original minority movement the Ibadi This long period was marked by the search for a just imama through the Ibadi model of the Islamic State Hussein Ghubash's well researched book takes the reader on an historical voyage through geography politics and culture of the region from the sixteenth century to the present day Oman has long standing ties with East Africa as well as Europe the first contact between Oman and European imperialist powers took place at the dawn of the 1500s with the arrival of the Portuguese eventually followed by the Dutch French and British Persuasive thorough and drawing on Western as well as Islamic political theory this book analyzes the different historical and geopolitical roles of this strategic country Thanks to its millennial tradition Oman enjoys a solid national culture and a stable socio political situation Today it is moving steadily towards a democratic future **Oman's Foreign Policy** Majid Al-Khalili, 2009-05-19 This is the first book in more than a

decade to look systematically at the foundations and practices of Oman's foreign policy and its impact on the production and distribution of oil An expert in the history of the Sultanate of Oman Majid Al Khalili provides new information and a fresh analysis of the lands bordering the Arabian Sea and the Gulf of Oman Beginning with an examination the reign of Sultan Qaboos bin Said as well as the sultanate's geography and how location has influenced its history Oman's Foreign Policy

Foundation and Practice analyzes Oman's foreign relations from the early 20th century until the beginning of the 21st century providing the background to recent events Following an analysis of the sultanate's renaissance in the 1970s and 1980s the book considers how Oman's foreign policy changed in the wake of the 1991 Gulf War It also examines historic power rivalries in the region as well as modern conflicts that now include Iran Iraq and Saudi Arabia The result is a comprehensive understanding of Oman's place in the Middle East and its influence upon the world's changing power structure

Oman's Transformation after 1970 J.E. Peterson, 2024-06-03 Oman's 1970 coup launched a new political and economic structure that was created by and for Sultan Qaboos The initially haphazard construction matured into a durable structure that continues under Sultan Haitham This work details the early construction of the Qabusid state in the 1970s 1980s emphasizing the interplay between personalities and the process of institutionalization The narrative continues to the present demonstrating the resilience of the Qaboosid system

Oman, Culture and Diplomacy Jeremy Jones, 2013-03-10 This book is a cultural history offering an historical account of the formation of a distinctive Omani culture arguing that it is in this unique culture that a specific conception and practice of diplomacy has been developed

The Report: Oman 2017, Oman's economy contracted by 13.8% in nominal terms in 2015 as the ongoing low oil price environment squeezed growth and led to the largest budget deficit in over a decade In a bid to tackle the shortfall the government is taking a number of revenue raising measures such as cutting subsidies and increasing corporation tax while remaining focused on its long term diversification goals Though hydrocarbons still account for 33.9% of GDP and 78.7% of state revenues non oil sectors are playing an increasingly prominent role in the country's economic profile Authorities are targeting heavy industries in particular with plans to boost their GDP contribution to from 19.8% today to 29% by 2020 Meanwhile annual growth of 6% is being targeted in the mining sector with a host of regulatory initiatives being implemented as the government seeks to boost investor interest Start reading

Arabian Seas R. J. Barendse, **Oman Since 1856** Robert Geran Landen, 2015-12-08 Oman a state in southeastern Arabia is a prime example of a country that has not benefited greatly from modernization but instead has fallen into economic and political insignificance as a result of economic and technological innovations introduced by the West Prior to the nineteenth century Mr Landen finds that native Omanis had developed a thriving maritime industry which was responsible for the country's economic health With the advent of colonialism from the West Oman's fortunes declined The changes that took place the influence of British leaders who directed the political activities in Oman and the internal politics of Oman are all considered The last chapter contains speculations on the effect of the discovery of oil on the future of Oman Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the

thousands of books published by Princeton University Press since its founding in 1905 *The Napoleonic Wars 1803-1815* David Gates, 2011-06-08 Known collectively as the Great War for over a decade the Napoleonic Wars engulfed not only a whole continent but also the overseas possessions of the leading European states A war of unprecedented scale and intensity it was in many ways a product of change that acted as a catalyst for upheaval and reform across much of Europe with aspects of its legacy lingering to this very day There is a mass of literature on Napoleon and his times yet there are only a handful of scholarly works that seek to cover the Napoleonic Wars in their entirety and fewer still that place the conflict in any broader framework This study redresses the balance Drawing on recent findings and applying a total history approach it explores the causes and effects of the conflict and places it in the context of the evolution of modern warfare It reappraises the most significant and controversial military ventures including the war at sea and Napoleon's campaigns of 1805-9 The study gives an insight into the factors that shaped the war setting the struggle in its wider economic cultural political and intellectual dimensions **The Report: Oman 2016** Oxford Business Group, 2016-01-12 Oman's GDP grew 4.6% between 2013 and 2014 according to the Oman Central Bank with hydrocarbons the main driver of the economy at almost 50% of GDP Although the dip in oil prices has put pressure on government revenues authorities are pressing ahead with spending plans for the sector particularly in the downstream segment The country's infrastructure expansion plans are also moving forward particularly at the country's three ports as the country seeks to leverage its strategic position on the Strait of Hormuz and establish itself as a global transport and logistics hub Feeding off this development drive are the sultanate's banks with project finance regarded as one of the most promising areas for lending growth In the longer term Oman Vision 2020 seeks to boost private sector participation in the economy and fuel SME growth in key sectors including construction retail tourism and transport *Deconstructing 'Energy Security' in Oman* Lamya Harub, 2022-10-25 This book makes a substantial and timely contribution to discussions on energy security in Oman providing a systematic analysis of energy security in Oman from 1920 to 2020 It is particularly relevant in light of the recent global geopolitics of the Gulf particularly and the Middle Eastern region broadly as well as connecting to current climate change research and debates Combining a political sociological account with postcolonial concepts within a theoretical and empirical exploration of energy politics the book weaves a study of energy security into the historical and contemporary development of political economic security and social structures in Oman Including interviews with Omani and Oman based practitioners as well as grounded in historical documents which include Arabic language sources this book evaluates the energy question beyond the typical economic perspective considering socio political opportunities and challenges It also makes economic related recommendations in tandem with rentier state theory Unlike the dominant accounts of energy security in Oman this book sets itself apart by moving away from utilising liberal and realist approaches for its analysis and engages systematically with critical security studies to introduce a non Eurocentric perspective to the arena Of interest to scholars in Middle Eastern history energy

security and security studies this book assumes an important place in the critical literature on the Gulf particularly within environmental studies and energy policy literature **The Report: Oman 2020** Oliver Cornock, The year 2020 marks the 50th anniversary of the establishment of the Sultanate of Oman making it the longest continually independent Arab country in modern history The year also marks the passing of Sultan Qaboos bin Said Al Said who died on 10 January He is succeeded by his cousin and the former minister of culture Sultan Haitham bin Tariq Al Said

Modern History Of Oman Introduction

In today's digital age, the availability of Modern History Of Oman books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Modern History Of Oman books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Modern History Of Oman books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Modern History Of Oman versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Modern History Of Oman books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Modern History Of Oman books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Modern History Of Oman books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Modern History Of Oman books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Modern History Of Oman books and manuals for download and embark on your journey of knowledge?

FAQs About Modern History Of Oman Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
