Readings from Classical and Contemporary Sources. Edited by P. Edwards ... and A. Pap* Paul EDWARDS (Professor of Philosophy, New York University, and PAP (Arthur)), Arthur Pap, 1957      **Christianity & Western Thought** Colin Brown, Steve Wilkens, Alan G. Padgett, 1990 From Socrates and the Sophists to Kant from Augustine to Aquinas and the Reformers Colin Brown traces the turbulent often tension filled always fascinating story of the thinkers ideas and movements that have shaped our intellectual landscape Is philosophy the handmaiden of faith or the doctrine of demons Does it clarify the faith or undermine the very heart of Christian belief Brown writes This book is about the changes in preconceptions world views and paradigms that have affected the ways in which people have thought about religion in general and Christianity in particular in the Western world It is a historical sketch written to help students and anyone else who might be interested to get a better grasp of the love hate relationship between philosophy and faith that has gone on for close to two thousand years Students pastors and thoughtful Christians will benefit from this rich resource The first in a proposed three volume work Brown s easy to read hard to put down introduction to Christianity and Western thought focuses on developments from the ancient world to the Age of Enlightenment      **Reason and Practice** Kai Nielsen, 1971      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976      Dictionary of Modern American Philosophers John R. Shook, 2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers anda large number of female and minority thinkers whose work has been neglected It includes those intellectualsinvolved in the development of psychology pedagogy sociology anthropology education theology politicalscience and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of

modern American thought     *Nietzsche and Ree* Robin Small,2007 This text examines the intellectual partnership of Friedrich Nietzsche 1844 1900 and Paul Ree 1849 1901 combining biography with philosophy to give an account of a friendship that made major contributions to modern thought Provided by publisher     **Subject Index of the Modern Books Acquired by the British Museum in the Years ...** ,1927     **Modern African Poetry and the African Predicament** Romanus N. Egudu,1978-10-12     *Søren Kierkegaard Literature, 1956-2006* Aage Jørgensen,2009 This bibliography on Sren Kierkegaard carries on the work of Jens Himmelstrup s international bibliography 1962 It collates everything written about Kierkegaard books contributions to edited collections and journals and also features an appendix of primary text editions and translations Discussion notes reviews etc are catalogued according to the items they refer to The bibliography contains more than 5 600 primary entries and is a testament to the expanding worldwide interest in the Danish philosopher It also remedies the deeply felt need for a collected overview of the extensive literature on Kierkegaard     **Theories History** ,1963     An Introduction to Modern Logic Rupert Clendon Lodge,1920     The Devil's Advocate versus God's Honest Truth Necip Fikri Alican,2025-02-27 The Devil s Advocate versus God s Honest Truth is a scholarly monograph exploring the rationality of religion particularly the tenability of theism through a dialectical analysis of plausible arguments for the existence of God versus reasonable grounds for suspicion It offers a comprehensive and balanced coverage of the issues inviting readers to reflect and ponder the subject in its full scope The book thus makes up for the missing objectivity in an area that has long been dominated by sectarian scholarship and polarized beyond reconciliation     Cognitive Ethology Carolyn A. Ristau,Peter Marler,2014-02-25 This collection of essays was written by former students associates admirers critics and friends of Donald R Griffin the creator of cognitive ethology Stimulated by his work this volume presents ideas and experiments in the field of cognitive ethology the exploration of the mental experiences of animals as they behave in their natural environment during the course of their normal lives Cognitive Ethology discusses the possibility that animals may have abilities to experience communicate reason and plan beyond those usually ascribed to them in a black box or stimulus response interpretation of their behavior Contributions from scientists who have been associated with or influenced by Griffin offer a lively array of views some disparate from one another and some especially selected to present approaches contrary to his
