# Modern Military Powers Israel

**Marko Djuranovic**

## **Modern Military Powers Israel:**

**Modern Military Powers, Israel** Terry Gander, Stan Morse, Keith Fretwell, 1984 Traces the brief history of Israel's armed forces and describes the structure and technology of Israel's armed services

**Modern Military Powers, Israel** Stan Morse, 1984

**Militarization and State Power in the Arab-Israeli Conflict** Eligar Sadeh, 1997-08 A set of propositions and an accompanying theoretical framework that explains the cause-effect linkages between intrastate and interstate power realization that are characterized by militarization are developed This model establishes the foundation for an explanation of how such power is used to deal with the state's Janus-faced security dilemma To this end the model provides the tools needed for such an inquiry from a conceptual and typological standpoint The goal is to explain how the internal aspect of state power shapes the external one It was determined that Israel and the primary Arab confrontation states provide important test cases based on the intense interplay prevalent between militarization processes and state power

*Israel's Wars of Attrition* Avi Kober, 2009-09-11 This book analyzes the way Israel has coped with nine wars of attrition from the 1950s to the recent Second Lebanon War 2006 questioning the belief that Western democracy cannot sustain prolonged wars of attrition Challenging Israel with attrition has been compatible with the Arab way of war which emphasizes staying power and with the belief that democracies cannot tolerate wars of attrition either economically or psychologically Israel for its part developed a self-image of incapacity to sustain prolonged wars committing itself to a traditional offensive approach to blitzkrieg whenever possible The book offers an account of nine wars of attrition that Israel was involved in over almost 60 years from Palestinian infiltration and fedayeen activities against Israel in the early 1950s through to the Second Lebanon War in 2006 The author uses these cases to challenge the myth that Israel cannot afford to become involved in a draining war of attrition Focusing on central aspects typical of Western democracies engaged in wars of attrition operational effectiveness the societal staying power the economic burden of the war moral dilemmas and conflict management problems the book challenges the myth that Israel cannot afford to become involved in a draining war of attrition while at the same time highlighting the fact that in its wars of attrition Israel has not always succeeded in avoiding undesired escalation This book will be of much interest to students of strategic studies Israeli history Middle Eastern politics and security studies in general Avi Kober is a member of the Department of Political Studies at Bar Ilan University Israel and is a Senior Research associate with the BESA Center for Strategic Studies

Power and Military Effectiveness Michael C. Desch, 2008-03-06 Since 1815 democratic states have emerged victorious from most wars leading many scholars to conclude that democracies are better equipped to triumph in armed conflict with autocratic and other non-representative governments Political scientist Michael C. Desch argues that the evidence and logic of that supposition which he terms democratic triumphalism are as flawed as the arguments for the long-held and opposite belief that democracies are inherently disadvantaged in international relations Through comprehensive statistical analysis a thorough review of two millennia of

international relations thought and in depth case studies of modern era military conflicts Desch finds that the problems that persist in prosecuting wars from building up and maintaining public support to holding the military and foreign policy elites in check remain constant regardless of any given state's form of government In assessing the record he finds that military effectiveness is almost wholly reliant on the material assets that a state possesses and is able to mobilize Power and Military Effectiveness is an instructive reassessment of the increasingly popular belief that military success is one of democracy's many virtues International relations scholars policy makers and military minds will be well served by its lessons Alexander B Downes      Marko Djuranovic,2008-10-01 How much influence does the regime type of a country have on its ability to win an international war Upon closer inspection very little A careful study of the process by which peaceful citizens are converted into instruments of state sponsored destruction shows that countries with democratic systems of government perform no better in international wars than their non democratic counterparts Instead it is the size of the population asset that the states leadership can gather leverage and deploy in combat that has historically mattered most for victory in war Population sizes of countries in the international system are so varied that it is virtually impossible for a small nation to withstand the military onslaught of a more populous foe a finding that reintroduces some basic tenets of realism to modern foreign policy discussions The importance of the size and quality of a country's population is demonstrated via statistical analysis on a novel dataset of international wars since 1816 as well as detailed case studies of the Arab Israeli Wars and German invasion of France in 1940      *Israel's National Security* Efraim Inbar,2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973      **Parameters** ,1984      **Trial and Error** Yagil Levy,2012-02-01 Trial and Error offers a unique exploration of the link between Israel's military policies and its ethno class relations of power that has theoretical implications elsewhere The book denounces the commonly accepted view that Israel's military policies were crafted merely as a direct and inevitable response to neighboring Arab states hostility Instead Yagil Levy shows that Israel's security interests were also determined by the social interests of a rising middle class comprised of Jews of European descent Because of the protracted state of war this class achieved dominant status over other groups As a result a strong link was created between increasing inegalitarianism in Israeli society and missed opportunities to adopt more moderate foreign policies at crucial crossroads up to the 1980s Paradoxically however as war benefits elevated the consumerist lifestyle of the middle class the burden of war became less appealing to it Levy argues that this and other social constraints along with limitations imposed by the international system played a focal role in channeling Israel's policies toward the 1990s peace process      **On Artillery** Bruce I. Gudmundsson,1993-09-30 Gudmundsson tells the story of field artillery in the 20th century and its impact on the major conflicts of our time Its purpose is to provide the reader whether artilleryman or not with hitherto unavailable insights on the role that artillery plays in the larger battle and how that has helped shape the world that we live in today Unique aspects of the book include the treatment of technical issues in non

technical language the extensive use of German and French sources generally unavailable to the English speaking reader the shattering of some long cherished myths and the discussion of issues that are often papered over in the literature of field artillery losses from friendly fire the frequent impotence of counter battery fire and the French origins of current American doctrine The bulk of the literature on field artillery can be fairly described as gunner propaganda Gudmundsson with his emphasis on the way artillery interacts with other arms and the dynamics of the battle as a whole takes a more balanced and a more critical view dealing with the failures as well as the achievements of field artillery This study provides a thorough overview of field artillery in non technical language that will be of interest to military professionals military historians and wargamers

Jews and the Military Derek J. Penslar, 2015-10-27 A historical reevaluation of the relationship between Jews military service and war Jews and the Military is the first comprehensive and comparative look at Jews involvement in the military and their attitudes toward war from the 1600s until the creation of the state of Israel in 1948 Derek Penslar shows that although Jews have often been described as people who shun the army in fact they have frequently been willing even eager to do military service and only a minuscule minority have been pacifists Penslar demonstrates that Israel s military ethos did not emerge from a vacuum and that long before the state s establishment Jews had a vested interest in military affairs Spanning Europe North America and the Middle East Penslar discusses the myths and realities of Jewish draft dodging how Jews reacted to facing their coreligionists in battle the careers of Jewish officers and their reception in the Jewish community the effects of World War I on Jewish veterans and Jewish participation in the Spanish Civil War and World War II Penslar culminates with a study of Israel s War of Independence as a Jewish world war which drew on the military expertise and financial support of a mobilized global Jewish community He considers how military service was a central issue in debates about Jewish emancipation and a primary indicator of the position of Jews in any given society Deconstructing old stereotypes Jews and the Military radically transforms our understanding of Jews historic relationship to war and military power *Congressional Record* United States. Congress, 1979 The Militarily Critical Technologies List , 1992

**Israel's National Security Towards the 21st Century** Uri Bar-Joseph, 2014-09-19 This volume discusses three principal issues the Israeli army and the Revolution of Military Affairs RMA Israel s present and future answers to the threats of weapons of mass destruction WMD and the impact of societal political and technological changes on Israel s future war objectives

**Authenticity, Autonomy and Multiculturalism** Geoffrey Brahm Levey, 2015-05-01 The concept of authenticity enters multicultural politics in three distinct but interrelated senses as an ideal of individual and group identity that commands recognition by others as a condition of individuals autonomy that bestows legitimacy on their values beliefs and preferences as being their own and as a form of cultural pedigree that bestows legitimacy on particular beliefs and practices commonly called cultural authenticity In each case the authenticity idea is called on to anchor or legitimate claims to some kind of public recognition The considerable work asked of this concept raises a number of vital questions Should

authenticity be accorded the importance it holds in multicultural politics Do its pitfalls outweigh its utility Is the notion of authenticity avoidable in making sense of and evaluating cultural claims Or does it perhaps need to be rethought or recalibrated Geoffrey Brahm Levey and his distinguished group of philosophers political theorists and anthropologists challenge conventional assumptions about authenticity that inform liberal responses to minority cultural claims in Western democracies today Discussing a wide range of cases drawn from Britain and continental Europe North America Australia and the Middle East they press beyond theories to consider also the practical and policy implications at stake A helpful resource to scholars worldwide in Political and Social Theory Political Philosophy Legal Anthropology Multiculturalism and more generally of cultural identity and diversity in liberal democracies today      *Contemporary Military Innovation* Dima Adamsky, Kjell Inge Bjerga, 2012-05-23 This book explores contemporary military innovation with a particular focus on the balance between anticipation and adaption The volume examines contemporary military thought and the doctrine that evolved around the thesis of a transformation in the character of war Known as the Information Technology Revolution in Military Affairs IT RMA this innovation served as an intellectual foundation for the US defence transformation from the 1990s onwards Since the mid 1990s professional ideas generated within the American defence milieu have been further disseminated to military communities across the globe with huge impact on the conduct of warfare With chapters written by leading scholars in this field this work sheds light on RMAs in general and the IT RMA in the US in particular The authors analyse how military practice and doctrines were developed on the basis of the IT RMA ideas how they were disseminated and the implications of them in several countries and conflicts around the world This book will be of much interest to students of strategic studies defence studies war and technology and security studies in general      **Disarming Iraq** Michael V. Deaver, 2001-08-30 The implementation of disarmament requirements imposed by the Security Council after the Second Gulf War established a strong and unequal power relationship between the United Nations and Iraq Although the ensuing struggle over imposed disarmament has been a major issue in world politics international relations theorists continue to ignore it Deaver argues that this case has important theoretical implications Using sociological insights and a behavioral approach he examines the power relationship as well as Iraqi resistance from 1991 to 1998 Theorists are likely to find these analytic tools useful since they provide a ready means of studying the micro foundations of power relations in generalized terms Behavior such as supervision surveillance inspection and monitoring are widespread and growing in world politics A focus on tactics demonstrates the role of monitoring in maintaining and strengthening the relationship between the United Nations and Iraq An analysis of dynamics makes comprehensible Iraqi losses of sovereignty and the eventual collapse of the relationship Contrary to popular opinion whoever escalated tensions hurt their own cause Iraqi resistance contributed greatly to United Nations gains while the United Nations successes led to the collapse of its relationship with Iraq      *Lavi* John W. Golan, 2016 The Lavi fighter program the largest weapons development effort ever undertaken by the State of Israel

envisioned a new generation of high performance aircraft In a controversial strategy Israel Aircraft Industries intended to develop and manufacture the fighters in Israel with American financial support The sophisticated planes developed in the mid 1980s were unique in design and intended to make up the majority of the Israeli air force Though considerable prestige and money were at stake developmental costs increased and doubts arose as to whether the Lavi could indeed be the warplane it was meant to be Eventually the program became a microcosm for the ambitions fears and internal divisions that shaped both the U S Israeli relationship and Israeli society itself But the fighter never made it to operational service and until now the full breadth and significance of the Lavi story have never been examined and presented Lavi The United States Israel and a Controversial Fighter Jet traces the evolution of the Lavi fighter from its genesis in the 1970s to its scrapping in August 1987 John W Golan examines the roles of Israeli military icons and political leaders such as Ezer Weizman Ariel Sharon Menachem Begin and Yitzhak Rabin in the program and in relation to their counterparts in the United States On the American side Golan traces the evolution of government policy toward the program detailing the complex picture of the U S foreign policy apparatus and of U S Israeli relations in general from President Reagan s public endorsement of the program on the White House lawn to Defense Secretary Caspar Weinberger s unremitting attempts to cancel it in succeeding years

**The Banner of Israel** ,1911 *Victimhood Discourse in Contemporary Israel* Ilan Peleg,2019-04-24 This book deals comprehensively with different aspects of collective victimhood in contemporary Israel but also with the wider implications of this important concept for many other societies including the Palestinian one The eight highly diverse scholarly chapters included in this volume offer analysis of the politics of victimhood viewing it as increasingly dominant within contemporary Israel assess victimhood as a focal point of the Jewish historical legacy trace the evolution and changes of Zionist thought as it relates to a sense of national victimhood study the possibility of the political transformation of victimhood through changing perceptions and policies by top Israeli leaders focus on important events that have contributed to the evolvement of the victimhood discourse in Israel and beyond e g the 1967 Six Day and 1973 Yom Kippur wars in the Middle East examine the politics and ideology of victimhood within the Palestinian national movement and offer new ways of progressing beyond national victimhood and toward a better future for people in the Middle East and beyond The insights of the eight authors and their conceptualization of Israeli victimhood are of immediate relevance for numerous other national groups as well as for a variety of disciplines in the humanities and the social sciences This volume has been inspired by the universality of victimhood among humans reflected in King Lear s words I am a man more sinned against than sinning as well as by the words of the late Israeli prime minister Yitzhak Rabin telling the Knesset in Jerusalem No longer is it true that the whole world is against us While the book sums up the state of the field in regard to collective victimhood it invites the readers to engage in contemplating the far reaching implications of this important concept for our lives

## **Modern Military Powers Israel** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **Modern Military Powers Israel**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. ## Modern Military Powers Israel Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Modern Military Powers Israel free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Modern Military Powers Israel free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Modern Military Powers Israel free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally

available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Modern Military Powers Israel. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Modern Military Powers Israel any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Modern Military Powers Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modern Military Powers Israel is one of the best books in our library for free trial. We provide a copy of Modern Military Powers Israel in digital format, so the resources that you find are reliable. There are also many eBooks related to Modern Military Powers Israel. Where to download Modern Military Powers Israel online for free? Are you looking for Modern Military Powers Israel PDF? This is definitely going to save you time and cash in something you should think about.
