## **Nuestra America Tomo Ii:**

**Nuestra América inventada. Imágenes de América Latina en los pensadores chilenos ,** Nuestra América Carlos Octavio Bunge,1926 **Nuestra América insurgente** Germán Sánchez Otero,2023-06-30 Esta compilación incluye textos sobre luchas diversas de los pueblos al sur del río Bravo y el pensamiento de algunos de sus líderes más relevantes Ofrece un balance crítico de las insurgencias armadas posteriores al triunfo de la Revolución Cubana una mirada actual enfocada en las ideas del Che sobre la revolución social en el continente un primer acercamiento a los modos de actuar públicos y no visibles de Fidel en sus nexos políticos con la región y en especial su relación con Hugo Chávez Expone una interpretación del proceso chileno durante el gobierno de Salvador Allende y aspectos esenciales de la Revolución Bolivariana y de su líder Hugo Chávez Por último exalta la figura legendaria del comandante Manuel Piérola Losada Barbarroja jefe y Maestro del autor desde su juventud y reproduce el texto Barbarroja sin enigmas una lectura exegesis de Germán Sánchez sobre el legendario comandante guerrillero cubano **Of Summits and Sacrifice** Thomas Besom,2010-01-01 In perhaps as few as one hundred years the Inka Empire became the largest state ever formed by a native people anywhere in the Americas dominating the western coast of South America by the early sixteenth century Because the Inkas had no system of writing it was left to Spanish and semi indigenous authors to record the details of the religious rituals that the Inkas believed were vital for consolidating their conquests Synthesizing these arresting accounts that span three centuries Thomas Besom presents a wealth of descriptive data on the Inka practices of human sacrifice and mountain worship supplemented by archaeological evidence Of Summits and Sacrifice offers insight into the symbolic connections between landscape and life that underlay Inka religious beliefs In vivid prose Besom links significant details ranging from the reasons for cyclical sacrificial rites to the varieties of mountain deities producing a uniquely powerful cultural history **El Partido Democrático de Chile** Sergio Grez Toso, Este libro reconstruye minuciosamente la trayectoria de la primera organización política popular chilena el Partido Democrático desde su nacimiento en 1887 hasta la instauración de la dictadura de Ibáñez en 1927 período durante el cual alcanzó su máxima influencia antes de iniciar su largo y definitivo ocaso Presenta una visión de conjunto a la vez que detallada de la época más importante de la vida de este partido ofreciendo explicaciones tanto sobre su desarrollo y auge como sobre su integración al sistema parlamentarista su creciente corrupción distanciamiento con los movimientos sociales emergentes en la segunda y tercera década del siglo XX e inevitable decadencia **Reconocimiento. ¿Un nuevo paradigma de la Filosofía Política y Social?** Sauerwald, Gregor,2014-06-27 Han sido comprendidas las relaciones entre Europa y América Latina en el campo de la filosofía como un legado bien o aporte cuya recepción fue siempre favorable o positivamente acogido sin contratiempos rupturas o diferencias mayores Para más de un autor América Latina ha recurrido a esta fuente de inspiración de la cultura occidental en forma permanente No han faltado autores que han mostrado más bien los diversos cortes resistencias y oposiciones que se habrán levantado en nuestro quehacer filosófico contra la imposición europea contra la

herencia de recetas y fórmulas que permanentemente exporta el viejo continente A esta constructiva y ya centenaria tarea a este reconocimiento y diálogo que en algunos casos alcanza nivel intercultural no exento de limitaciones y dificultades se suma en la actualidad la obra de Gregor Sauerwald quien destaca tanto por generar un clima de diálogo intercultural como por la continuidad sustentabilidad y la profundidad del diálogo entre la filosofía alemana y latinoamericana que l ha sabido impulsar como pocos Junto a los desarrollos últimos de la teoría crítica Sauerwald enfrenta en crítica y diálogo una de las escuelas filosóficas latinoamericanas de mayor resonancia a partir de la década de los setenta la filosofía de la liberación Sauerwald insiste en la necesidad del diálogo entre el Sur y el Norte y el Norte y el Sur por el mismo hecho de que estamos viviendo en un global village compartiendo los mismos enemigos y problemas Mito suyo también ha sido mostrar la palpitante vigencia de la categoría del reconocimiento clave en la filosofía política actual en el Norte y que también ha ocupado lugar eminente en la discusión filosófica en el Sur dentro de la problemática de la filosofía y la praxis de la liberación En uno y otro caso los conflictos económicos políticos y sociales de acuerdo a su gramática podrán deletrearse como una lucha por el reconocimiento De ser así el espacio y el tiempo del reconocimiento podrán unirse y transformarse ahora sí en un diálogo que enriquezca a ambas partes

**Dream Nation** María Acosta Cruz, 2014-03-19 Over the past fifty years Puerto Rican voters have roundly rejected any calls for national independence Yet the rhetoric and iconography of independence have been defining features of Puerto Rican literature and culture In the provocative new book Dream Nation Mar a Acosta Cruz investigates the roots and effects of this profound disconnect between cultural fantasy and political reality Bringing together texts from Puerto Rican literature history and popular culture Dream Nation shows how imaginings of national independence have served many competing purposes They have given authority to the island's literary and artistic establishment but have also been a badge of countercultural cool These ideas have been fueled both by nostalgia for an imagined past and by yearning for a better future They have fostered local communities on the island and still helped define Puerto Rican identity within U S Latino culture In clear accessible prose Acosta Cruz takes us on a journey from the 1898 annexation of Puerto Rico to the elections of 2012 stopping at many cultural touchstones along the way from the canonical literature of the Generación del 30 to the rap music of Tego Calderón Dream Nation thus serves both as a testament to how stories symbols and heroes of independence have inspired the Puerto Rican imagination and as an urgent warning about how this culture has become detached from the everyday concerns of the island's people A volume in the American Literature

Initiatives series      *Special Uruguayan Literature* Sturgis Ellen Leavitt, 1922      History of Psychology in Latin America Julio César Ossa, Gonzalo Salas, Hernan Scholten, 2021-08-01 This book presents a cultural history of psychology that analyzes the diverse contexts in which psychological knowledge and practices have developed in Latin America. The book aims to contribute to the growing effort to develop a theoretical knowledge that complements the biographical perspective centered on the great figures with a polycentric history that emphasizes the different cultural, social, economic and political phenomena that accompanied the emergence of psychology. The different chapters of this volume show the production of historians of psychology in Latin America who are part of the Ibero American Network of Researchers in History of Psychology RIPEHP in the Portuguese acronym for Rede Iberoamericana de Pesquisadores em História da Psicologia. They present a significant sample of the research carried out in a field that has experienced a strong development in the region in the last decades. The volume is divided into two parts. The first presents comparative chapters that address cross-cutting issues in the different countries of the region. The second part analyzes particular aspects of the development of psychology in seven countries: Argentina, Brazil, Chile, Colombia, Mexico, Paraguay and Peru. Throughout these chapters, the reader will find how psychology made its way through dictatorial governments, phenomena of violence and internal armed conflict among others. Dimensions that include rigorous analysis ranging from ancestral practices to current geopolitical knowledge of the Latin American region. *History of Psychology in Latin America: A Cultural Approach* is an invaluable resource for historians of psychology anywhere in the world interested in a polycentric and critical approach. Since its content is part of the cultural turn in psychology, it is also of interest to readers interested in the social and human sciences in general. Finally, the thoroughly international perspective provided through its chapters makes the book a key resource for both undergraduate and graduate teaching and education on the past and current state of psychology.

**Unfinished Song of Francisco Urondo** Hernán Fontanet, 2014-10-24 The Unfinished Song of Francisco Urondo When Poetry is Not Enough is a comprehensive well written documented and carefully developed study of the literary work and life of Francisco Urondo an Argentine poet intellectual activist cultural promoter revolutionary and clandestine guerilla member who died in 1976 fighting for a cause in which he believed against the oppressive Argentine Military Junta This methodical but never mechanistic work shows how life events cultural milieu political movements and world circumstances interacted and impacted Urondo's temperament to produce his poetic voice his prose and his theatrical works By studying the man we get closer to his poetry With his poetry the author makes a compelling case for understanding the man Francisco Urondo's life work and praxis were varied agonizing at times and always marked by imperatives This book fills a significant lacuna in the scholarship on the work of this worthy yet neglected and understudied writer Readers of this book will come away with

not only a deepened understanding of the man and his writings but also of a key period in recent Argentine political social and intellectual history
