[The Difficult Doctor](#) Alba Marie Pastorek,1986      **Sarah's Search** Rhoda Fegan,2018-07-18

Destiny Fate Sarah didn't believe that life was contributable to these uncontrollable forces but to the choices of human beings and a very real and loving God Although still single she believed that God's plan for her included marriage and a family with her as a pastor's wife or hopefully the wife of a foreign missionary Her prayers for this very special man and their service together were more than a decade old She saw no likely candidates but trusted God with her life So Sarah lived her life in the moment serving God and looking for the joy God provided in each day That joy now found her on a dream vacation in Toledo Spain where she had fallen in love with the culture the people and the city She had little more than a day left on her vacation and used her unscheduled time to visit an art gallery near her hostel where she met Phillip They had a few hours together before Sarah dashed back to the safety of her familiar life Vacation Sarah was little threat to Satan in Toledo even if her witness did win one man to the Enemy The salvation of this waiter was an incidental note on the demon Warning's report to his Master But Sarah doesn't stay in her room and Phillip isn't a man to give up easily Warning Satan's demon observer reports to his Master that Sarah is becoming a real threat to Satan's plans Demons are ordered to intervene but Sarah's angels don't leave her defenseless Is God working and answering prayers Will the assigned demons keep Sarah from a future with Phillip who is not saved and who has distanced himself from God

Fontella Bateman, 2019-11-18 In telling Sarah's Alzheimer's Story the writer takes you back to where it all began in the hills of Kentucky where Sarah was born You may laugh cry or simply wonder as you go with her through her journey of life The reader will get to know about the strong woman Sarah and how she endures many tragedies One will find that even though memory loss is a large part of Alzheimer's disease in Sarah's case there is so much more Throughout the story the writer sometimes takes you back to incidents earlier in Sarah's life In the writer's opinion Sarah may be recalling something from the past causing her to act the way she does This seems to be especially true when she begins to see or talk to imaginary people Dealing with this disease is often a struggle for Sarah and her family But hopefully you will see the joy in their laughter the sorrow in their tears and feel their strong love It is hard to watch this very strong woman deteriorate mentally physically and lose her personality But this writer believes that there is a reason even if we do not understand it at the time **Stringing Pearls**
