O Lunalilo:

Who Owns the Crown Lands of Hawai'i? Jon M. Van Dyke, 2007-12-31 The 1846 1848 Mahele division transformed the lands of Hawai i from a shared value into private property but left many issues unresolved Kauikeaouli Kamehameha III agreed to the Mahele which divided all land among the m king the ali i chiefs and the maka inana commoners in the hopes of keeping the lands in Hawaiian hands even if a foreign power claimed sovereignty over the Islands The king s share was further divided into Government and Crown Lands the latter managed personally by the ruler until a court decision in 1864 and a statute passed in 1865 declared that they could no longer be bought or sold by the m and should be maintained intact for future monarchs After the illegal overthrow of the monarchy in 1893 Government and Crown Lands were joined together and after annexation in 1898 they were managed as a public trust by the United States At statehood in 1959 all but 373 720 acres of Government and Crown Lands were transferred to the State of Hawai i The legal status of Crown Lands remains controversial and misunderstood to this day In this engrossing work Jon Van Dyke describes and analyzes in detail the complex cultural and legal history of Hawai i s Crown Lands He argues that these lands must be examined as a separate entity and their unique status recognized Government Lands were created to provide for the needs of the general population Crown Lands were part of the personal domain of Kamehameha III and evolved into a resource designed to support the m who in turn supported the Native Hawaiian people The question of who owns Hawai i s Crown Lands today is of singular importance for Native Hawaiians in their quest for recognition and sovereignty and this volume will become a primary resource on a fundamental issue underlying Native Hawaiian birthrights 64 illus 6 maps 'O Lunalilo Peter Galuteria, Laiana Wong, 1994-01-01 **Hawaiian National Bibliography, 1780-1900** David W. Terry Young, 2014-02-25 This innovative study challenges scholars to rethink standard approaches to the study of Hawai ian history by proposing a Native centered historiography based on concepts derived from the Hawai ian language and oral traditions Historical approaches to traditional Hawai i have tended to focus on the Ali i Nui high chiefs as leaders of a stratified society and on the decisions they made in the context of the arrival of the haole foreigners This study traces the history of the Kaukau Ali i the chiefly servers who were the lesser ranked relatives of the high chiefs The Kaukau Ali i performed a variety of tasks ranging from childcare to redistributive service to the provision of battlefield support within this service relationship which structured the flow of daily life Kanalu Young himself a descendent of the Kaukau Ali i argues that the Native Hawai ian past can be better understood by approaches which are grounded in concepts derived from Native Hawai ian language and oral tradition By shifting the focus of historical study from the high
