Paradise War Song Of Albion 1:

The Paradise War Stephen Lawhead, 2010-08-22 Experience the dazzling brilliance of a world like ours yet infinitely bolder and brighter a place of kings and warriors bards and battles feats of glory and honour It is a place you will forever wish to be It is Albion When I opened my eyes I was no longer in the world I knew Lewis Gillies is an American graduate student in Oxford who should be getting on with his life Yet for some reason he finds himself speeding north with his roommate Simon on a lark half heartedly searching for a long extinct creature allegedly spotted in a misty glen in Scotland Expecting little more than a weekend diversion Lewis accidentally crosses through a mystical gateway where two worlds meet into the time between times as the ancient Celts called it And into the heart of a collision between good and evil that s been raging since long before Lewis was born First published more than twenty years ago The Song of Albion Trilogy has become a modern classic that continues to attract passionate new readers Part of The Song of Albion trilogy Book One The Paradise War Book Two The Silver Hand Book Three The Endless Knot Epic historical fantasy Book length 138 000 words Includes additional insights from the author in Albion Forever and an interview *The Fatal Tree* Stephen R Lawhead, 2014-11-21 In the sweeping style of George R R Martin and J R Tolkien Lawhead has created a diverse universe and rich cast of characters Multiple story lines weave to form a satisfying ending to this mythological speculative series Library Journal Kit stared at his fellow questors Is this it It started with small seemingly insignificant wrinkles in time A busy bridge suddenly disappears spilling cars into the sea A beast from another realm roams modern streets Napoleon s army appears in 1930s Damascus ready for battle But that s only the beginning as entire realities collide and collapse The questors are spread throughout the universe Mina is stuck on a plain of solid ice her only companion an angry cave lion named Baby Tony and Gianni are monitoring the cataclysmic reversal of the cosmic expansion but coming up short on answers And Burleigh is languishing in a dreary underground dungeon his only hope of survival the very man he tried to kill Kit and Cass are back in the Stone Age trying to reach the Spirit Well But an enormous yew tree has grown over the portal effectively cutting off any chance of return Unless someone can find a solution and fast all Creation will be destroyed in the universal apocalypse known as The End of Everything In the final volume of the fantastic Bright Empires series Stephen R Lawhead brings the multi stranded tale to a stunning and immensely satisfying conclusion *The Paradise War* Steve Lawhead, 1991 **King Raven** Stephen R. Lawhead, 2011-04-05 A completely re imagined epic of the man known as Robin Hood available in one volume for the first time For centuries the legend of Robin Hood and his band of thieves has captivated the imagination Now the familiar tale takes on new life as it boldly relocates the setting to the Welsh countryside and its dark forests Hunted like an animal by Norman invaders Bran ap Brychan heir to the throne of Elfael has abandoned his father s kingdom and fled to the greenwood There in the primeval forest of the Welsh borders danger surrounds him for this woodland is a living breathing entity with mysterious powers and secrets Bran must find a way to make it his own if he is to survive and become King Raven From deep

in the forest Bran Will Scarlet and Friar Tuck form a daring plan for deliverance knowing that failure means death for them all and the dreams of the oppressed people of Wales This acclaimed trilogy Hood Scarlet Tuck conjures up an ancient past and holds a mirror to contemporary realities Prepare yourself for an epic tale that dares to shatter everything you thought you knew about Robin Hood *The Shadow Lamp* Stephen R Lawhead,2013-09-20 The quest for answers and ultimate survival hinges on finding the cosmic link between the Skin Map the Shadow Lamp and the Spirit Well The search for the map of blue symbols began in a rainy alley in London but has since expanded through space and time and includes more seekers Kit Mina Gianni Cass Haven and Giles have gathered in Mina s 16th century coffee house and are united in their determination to find a path back to the Spirit Well Yet with their shadow lamps destroyed and key pieces of the map still missing the journey will be far more difficult than they imagine And when one of their own disappears with Sir Henry s cryptic Green Book they no longer know who to trust At the same time the Zetetic Society has uncovered a terrifying secret which if proven will rock the very foundations of Creation The quest for answers is no longer limited to recovering an unknown treasure The fate of the universe depends on unraveling the riddle of the Skin Map **The Unabashed Librarian** ,1995 **Dragon King Trilogy** Stephen R.
