THE PENNILESS BRIDE Mei Ouse, NICOLA CORNICK, 2023-08-02 I a commoner am doted on and desired by the Earl According to a lore A chimney sweep s presence at a wedding brings happiness Jemima the daughter of a chimney sweep is invited to a nobleman s wedding There she is asked by the Earl of Selborne for a kiss of luck She has a crush on Lord Selborne but he s just teasing her But a few days later he suddenly proposes to her When she asks him he says he wants a marriage of convenience because of his inheritance But Lord Selborne while saying that he will pay her at the same time he starts hitting on her saying that You are the only one I want to marry and My beloved wife The Penniless Bride Nicola Cornick, 2003 *THE ADMIRAL'S PENNILESS BRIDE* Carla Kelly, Takako Hashimoto, 2018-10-14 After being falsely accused of a crime Sophia s husband committed suicide and then she lost her young son to pneumonia Prior to that she d lost her job and was now left with no money or home So she was without prospects or any recourse when she was approached by a navy admiral with a damaged left hand He introduced himself as Charles and his smile was so unexpectedly charming that Sophia inadvertently revealed her predicament And so he offered her a job as his wife The Admiral's Penniless Bride , 2008

The Admiral's Penniless Bride Carla Kelly, 2010-12-21 Sally Paul is down to her last penny As she spends it on a cup of tea to stave off being at the mercy of the workhouse the last thing she expects is an offer of marriage from a complete stranger Admiral Sir Charles Bright s seafaring days are over and according to society that must mean he s in need of a wife Discovering Sally s in need of a home he offers a solution They marry in haste but will they enjoy their wedding night at leisure Regency Weddings Nicola Cornick, 2007-05 This collection from Nicola Cornick includes the titles *The Rake s Bride* and *The Penniless Bride* *The admiral's penniless bride* Carla Kelly. [large print], 2012 The Ballad of the Penniless Bride A. Mātavaiyā, 1915 **Strathgallant** Roger Longrigg, 2001-07-30 Lady Strathgallant is obsessed with her responsibilities to the estate and to her granddaughter Perdita She is determined Perdita will marry a wealthy connected man All seems well until another suitor appears on the scene The romantic Jules Dilebes is determined to have Perdita but treachery and death plague the Strathgallant household **Lord Braybrook's Penniless Bride** Elizabeth Rolls, 2009-06-01 Miss Christiana Daventry will do whatever it takes to keep from being thrown out on the streets even accept the insufferably attractive Lord Braybrook s proposition Julian Trentham Viscount Braybrook urgently needs to hire a governess and companion and Christy is conveniently available Headstrong with charmingly mismatched eyes and soft tawny hair Christy is unlike any woman he has ever encountered But there is something so deliciously endearing about her that Julian quickly forgets how scandalous it would be to give in to the mounting attraction for his penniless governess **Deceived** Nicola Cornick, 2009-05-01 Princess Isabella never imagined it could come to this Bad enough she faces imprisonment for debts not her own Even worse that she must make a hasty marriage of convenience with Marcus the Earl of Stockhaven the man she d loved and lost so long ago But that he now wants revenge by demanding she be his in more than name only well that is

simply intolerable As the London gossips eagerly gather to watch the fun Isabella struggles to maintain a polite distance in her marriage But the more Isabella challenges Marcus s iron determination the hotter their passion burns This time will it consume them both or fuel a love greater than they dare dream Ballou's Monthly Magazine ,1880 **Mistress Nancy**

Molesworth Joseph Hocking,1898 The Lion of the North: A Tale of the Times of Gustavus Adolphus George Alfred Henty,2020-09-28 It was late in the afternoon in the spring of the year 1630 the hilltops of the south of Scotland were covered with masses of cloud and a fierce wind swept the driving rain before it with such force that it was not easy to make way against it It had been raining for three days without intermission Every little mountain burn had become a boiling torrent while the rivers had risen above their banks and flooded the low lands in the valleys The shades of evening were closing in when a lad of some sixteen years of age stood gazing across the swollen waters of the Nith rushing past in turbid flood He scarce seemed conscious of the pouring rain but with his lowland bonnet pressed down over his eyes and his plaid wrapped tightly round him he stood on a rising hummock of ground at the edge of the flood and looked across the stream If they are not here soon he said to himself they will not get across the Nith tonight None but bold riders could do so now but by what uncle says Captain Hume must be that and more Ah here they come As he spoke two horsemen rode down the opposite side of the valley and halted at the water s edge The prospect was not a pleasant one The river was sixty or seventy feet wide and in the centre the water swept along in a raging current You cannot cross here the boy shouted at the top of his voice You must go higher up where the water s deeper The wind swept his words away but his gestures were understood The boy is telling us to go higher up said one of the horsemen I suppose he is the other replied but here is the ford You see the road we have travelled ends here and I can see it again on the other side It is getting dark and were we to cross higher up we might lose our way and get bogged it is years since I was here What s the boy going to do now Show us a place for crossing The lad on seeing the hesitation of the horsemen had run along the bank up the stream and to their surprise when he had gone a little more than a hundred yards he dashed into the water For a time the water was shallow and he waded out until he reached the edge of the regular bank of the river and then swam out into the current Go back the horseman shouted but his voice did not reach the swimmer who in a few strokes was in the full force of the stream and was soon lost to the sight of the horsemen among the short foaming waves of the torrent The boy will be drowned one of the horsemen said spurring his horse up the valley but in another minute the lad was seen breasting the calmer water just above the ford You cannot cross here Captain Hume he said as he approached the horsemen You must go nigh a mile up the river Why who are you lad the horseman asked and how do you know my name I m the nephew of Nigel Grahame Seeing how deep the floods were I came out to show you the way for the best horse in the world could not swim the Nith here now But this is the ford Captain Hume said Yes this is the ford in dry weather The bottom here is hard rock and easy to ride over when the river is but waist deep but below and above this place it is covered with great boulders The water is six feet deep here now and the horses would be

carried down among the rocks and would never get across A mile up the river is always deep and though the current is strong there is nothing to prevent a bold horseman from swimming across I thank you heartily young sir Captain Hume said I can see how broken is the surface of the water and doubt not that it would have fared hard with us had we attempted to swim across here In faith Munro we have had a narrow escape Ay indeed the other agreed It would have been hard if you and I after going through all the battlefields of the Low Countries should have been drowned here together in a Scottish burn Your young friend is a gallant lad and a good swimmer for in truth it was no light task to swim that torrent with the water almost as cold as ice Now sirs will you please to ride on the boy said it is getting dark fast and the sooner we are across the better So saying he went off at a fast run the horses trotting behind him A mile above he reached the spot he had spoken of The river was narrower here and the stream was running with great rapidity swirling and heaving as it went but with a smooth even surface Two hundred yards farther up the boy said is the beginning of the deep if you take the water there you will get across so as to climb up by that sloping bank just opposite He led the way to the spot he indicated and then plunged into the stream swimming quietly and steadily across and allowing the stream to drift him down The horsemen followed his example They had swum many a swollen river and although their horses snorted and plunged at first they soon quieted down and swam steadily over They just struck the spot which the boy had indicated He had already arrived there and without a word trotted forward It was soon dark and the horsemen were obliged to keep close to his heels to see his figure It was as much as they could do to keep up with him for the ground was rough and broken sometimes swampy sometimes strewn with boulders It is well we have a guide Colonel Munro said to his companion for assuredly even had we got safely across the stream we should never have found our way across such a country as this Scotland is a fine country Hume a grand country and we are all proud of it you know but for campaigning give me the plains of Germany while as for your weather here it is only fit for a water rat
