Robert R. Redfield

Res Publica:

Res Publica and the Roman Republic Louise Hodgson, 2016-12-22 *Res Publica and the Roman Republic* tells the story of an idea *res publica* and shows us what it meant and was made to mean in the particular historical context of the late Roman Republic. Since the term was politically ubiquitous, often used emotively and as a consequence is hard to define, the temptation to take *res publica* as a universally understood and relatively uncontroversial given is rarely resisted. A close look at how *res publica* was perceived and manipulated however brings into focus not just the political crises of the late Republic but also the various attempts to clean up these crises through dubiously legal and often outright illegal emergency measures. Although this book is at root a philological study of a political concept, it aims to make a historical point about a politically turbulent period by addressing three key questions: What did it mean for Republican politicians to appeal to the *res publica*? What did the increasing tendency to do so reveal about the dangerous fragmentation of political legitimacy? How did these pressures transform *res publica* as a concept? Through a detailed examination of *res publica* as it appears in the ancient historians, orators, poets, commentaries and letters, inscriptions and historical episodes of the late Republic and early Principate, this book demonstrates how the rhetoric surrounding *res publica* mirrored the changes in the Roman political landscape towards the end of the Republic.

Consuls and Res Publica Hans Beck, Antonio Duplá, Martin Jehne, Francisco Pina Polo, 2011-09-08 The consulate was the focal point of Roman politics. Both the ruling class and the ordinary citizens fixed their gaze on the republic's highest office to be sure from different perspectives and with differing expectations. While the former aspired to the consulate as the defining magistracy of their social status, the latter perceived it as the embodiment of the Roman state. Holding high office was thus not merely a political exercise. The consulate prefigured all aspects of public life with consuls taking care of almost every aspect of the administration of the Roman state. This multifaceted character of the consulate invites a holistic investigation. The scope of this book is therefore not limited to political or constitutional questions. Instead, it investigates the predominant role of the consulate in and its impact on the political culture of the Roman republic.

The Materiality of Res Publica Dominique Colas, Oleg Kharkhordin, 2009-05-05 For the last 100 years political science has traditionally concentrated on the *publica* part of the expression *res publica*, conceiving this notion as a form of government opposed to say monarchy. However, the Ancients and citizens of Renaissance republics were just as attentive to the *res* part of the expression. The goal of this richly illustrated volume, containing 94 images, is to draw attention to this *res*—things and affairs that bring people together. The book first focuses on the central role played by the Rialto Bridge in Venice and by the main bridge in Novgorod the Great in the lives of the respective republics. It includes studies of *res* in other *res publicae*, an analysis of the republican icon of a woman crowned with ramparts found in three European cities and a detailed study of iconography figuring Hobbes' theory of *res publica*.

Libertas and Res Publica in the Roman Republic Catalina Balmaceda, 2020-09-25 *Libertas and Res Publica in the Roman Republic* offers some essential ideas for an understanding of

Roman politics during the Republican period by analysing two key concepts *libertas* liberty and *res publica* public matter republic Exploring these concepts through a variety of different aspects legal religious literary political and cultural this book aims to explain the profound relationship between the two Through the examination of a rich array of sources ranging from classical authors to coins from legal texts to works of art Balmaceda and her co authors propose new readings that elucidate the complex meanings and inter related functions of *libertas* and *res publica* in a thought provoking deep but very readable study of Roman political culture and identity Respublica, A.D. 1553 Leonard Arthur Magnus, 1905 *Sancta Respublica Romana* Richard Heber Wrightson, 1890 *Res Publica Litterarum*, 1978 *The First Christians in the Roman World* E. A. Judge, 2008 Collection of previously published essays and lectures *The Sancta Respublica Romana* Richard Heber Wrightson, 1891 The Respublica Lacedaemoniorum Ascribed to Xenophon Kathleen M. T. Chrimes, 1948 **Cicero's Ideal Statesman in Theory and Practice** Jonathan Zarecki, 2014-04-10 The resurgence of interest in Cicero's political philosophy in the last twenty years demands a re evaluation of Cicero's ideal statesman and its relationship not only to Cicero's political theory but also to his practical politics Jonathan Zarecki proposes three original arguments firstly that by the publication of his *De Republica* in 51 BC Cicero accepted that some sort of return to monarchy was inevitable Secondly that Cicero created his model of the ideal statesman as part of an attempt to reconcile the mixed constitution of Rome's past with his belief in the inevitable return of sole person rule Thirdly that the ideal statesman was the primary construct against which Cicero viewed the political and military activities of Pompey Caesar and Antony and himself *Handbook of Citizenship Studies* Engin F Isin, Bryan S Turner, 2002 The contributions of Woodiwiss Lister and Sassen are outstanding but not unrepresentative of the many merits of this excellent collection The British Journal of Sociology From women's rights civil rights and sexual rights for gays and lesbians to disability rights and language rights we have experienced in the past few decades a major trend in Western nation states towards new claims for inclusion This trend has echoed around the world from the Zapatistas to Chechen and Kurdish nationalists social and political movements are framing their struggles in the languages of rights and recognition and hence of citizenship Citizenship has thus become an increasingly important axis in the social sciences Social scientists have been rethinking the role of political agent or subject Not only are the rights and obligations of citizens being redefined but also what it means to be a citizen has become an issue of central concern As the process of globalization produces multiple diasporas we can expect increasingly complex relationships between homeland and host societies that will make the traditional idea of national citizenship problematic As societies are forced to manage cultural difference and associated tensions and conflict there will be changes in the processes by which states allocate citizenship and a differentiation of the category of citizen This book constitutes the most authoritative and comprehensive guide to the terrain Drawing on a wealth of interdisciplinary knowledge and including some of the leading commentators of the day it is an essential guide to understanding modern citizenship About the editors Engin F Isin is Associate Professor of

Social Science at York University His recent works include *Being Political* Genealogies of Citizenship Minnesota 2002 and with P K Wood *Citizenship and Identity* Sage 1999 He is the Managing Editor of *Citizenship Studies* Bryan S Turner is Professor of Sociology at the University of Cambridge He has written widely on the sociology of citizenship in *Citizenship and Capitalism* Unwin Hyman 1986 and *Citizenship and Social Theory* Sage 1993 He is also the author of *The Body and Society* Sage 1996 and *Classical Sociology* Sage 1999 and has been editor of *Citizenship Studies* since 1997 *Saving the City* Malcolm Schofield,2003-09-02 *Saving the City* provides a detailed analysis of the attempts of ancient writers and thinkers from Homer to Cicero to construct and recommend political ideals of statesmanship and ruling of the political community and of how it should be founded in justice Malcolm Schofield debates to what extent the Greeks and Romans deal with the same issues as modern political thinkers **Julius Caesar's *Bellum Civile* and the Composition of a New Reality** Ayelet

Peer,2016-03-09 In his *Commentarii de Bello Civili* Julius Caesar sought to re invent his image and appear before his present and future readers in a way which he could control and at times manipulate Offering a new interpretation of the *Bellum Civile* this book reveals the intricate literary world that Caesar creates using sophisticated techniques such as a studied choice of vocabulary rearrangement of events use of indirect speech and more Each of the three books of the work is examined independently to set out the gradual transformation of Caesar s literary persona in step with his ascent in the real world By analysing the work from Caesar s viewpoint the author argues that by adroit presentation and manipulation of historical circumstances Caesar creates in his narrative a different reality one in which his conduct is justified The question of the *res publica* is also a key point of the volume as it is in the *Bellum Civile* and the author argues that Caesar purposely does not present himself as a Republican contrary to commonly held views Employing detailed philological analyses of Caesar s three books on the Civil War this work significantly advances our understanding of Caesar as author and politician

Augustus and the destruction of history Ingo Gildenhard,Ulrich Gotter,Wolfgang Havener,Louise Hodgson,2020-05-15 *Augustus and the Destruction of History* explores the intense controversies over the meaning and profile of the past that accompanied the violent transformation of the Roman Republic into the Augustan principate The ten case studies collected here analyse how different authors and agents individual and collective developed specific conceptions of history and articulated them in a wide variety of textual and visual media to position themselves within the emergent and evolving new Augustan normal The chapters consider both hegemonic and subaltern endeavours to reconfigure Roman memoria and pay special attention to power and polemics chaos crisis and contingency not least to challenge some long standing habits of thought about Augustus and his principate and its representation in historiographical discourse ancient and modern Some of the most iconic texts and monuments from ancient Rome receive fresh discussion here including the Forum Romanum and the Forum of Augustus Virgil s *Aeneid* and the *Fasti Capitolini* *The Impact of Justice on the Roman Empire* ,2019-05-21 *The Impact of Justice on the Roman Empire* discusses ways in which notions practice and the ideology of

justice impacted on the functioning of the Roman Empire The papers assembled in this volume follow from the thirteenth workshop of the international network Impact of Empire They focus on what was considered just in various groups of Roman subjects how these views were legitimated shifted over time and how they affected policy making and political administrative and judicial practices Linking all of the papers are three common themes the emperor and justice justice in a dispersed empire and differentiation of justice **The Palimpsest of Cicero's De Re Publica** Albert William Van Buren,1907

Popular Sovereignty in Historical Perspective Richard Bourke,Quentin Skinner,2016-03-24 The first collaborative volume to explore popular sovereignty a pivotal concept in the history of political thought **A merye enterlude entitled Respublica, made in the yeare of our Lorde 1553** Nicholas Udall,1866 *A Cultural History of Democracy in the Renaissance* Virginia Cox,Joanne Paul,2022-12-15 This volume offers a broad exploration of the cultural history of democracy in the Renaissance The Renaissance has rarely been considered an important moment in the history of democracy Nonetheless as this volume shows this period may be seen as a democratic laboratory in many often unexpected ways The classicizing cultural movement known as humanism which spread throughout Europe and beyond in this period had the effect of vastly enhancing knowledge of the classical democratic and republican traditions Greek history and philosophy including the story of Athenian democracy became fully known in the West for the first time in the postclassical world Partly as a result of this the period from 1400 to 1650 witnessed rich and historically important debates on some of the enduring political issues at the heart of democratic culture issues of sovereignty of liberty of citizenship of the common good of the place of religion in government At the same time the introduction of printing and the emergence of a flourishing proto journalistic news culture laid the basis for something that recognizably anticipates the modern public sphere The expansion of transnational and transcontinental exchange in what has been called the age of encounters gave a new urgency to discussions of religious and ethnic diversity Gender too was a matter of intense debate in this period as was specifically the question of women s relation to political agency and power This volume explores these developments in ten chapters devoted to the notions of sovereignty liberty and the common good the relation of state and household religion and political obligation gender and citizenship ethnicity diversity and nationalism democratic crises and civil resistance international relations and the development of news culture It makes a pressing case for a fresh understanding of modern democracy s deep roots

Decoding **Res Publica**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Res Publica Introduction

In today's digital age, the availability of Res Publica books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Res Publica books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Res Publica books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Res Publica versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Res Publica books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Res Publica books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Res Publica books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Res Publica books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Res Publica books and manuals for download and embark on your journey of knowledge?

FAQs About Res Publica Books

1. Where can I buy Res Publica books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Res Publica book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Res Publica books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Res Publica audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Res Publica books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
