Go Carefully, My Friend tells the story of people whose paths collide against the backdrop of apartheid South Africa. The longing of South Africans who could leave and did is contrasted with the lives of some who stayed and found meaning in the struggle to survive in a country at odds with itself. In the end, these two strands of South African history share more than just a past. The question Go Carefully, My Friend asks is whether in the future South Africa will need both parts of itself to overcome the great obstacles that it faces. **50 Fantastic Ideas for Developing Emotional Resilience** Jillian Harrison-Longworth, 2019-03-07. The 50 Fantastic Ideas series is packed full of fun, original, skills-based activities for Early Years practitioners to use with children aged 0-5. Each activity features step-by-step guidance, a list of resources, and a detailed explanation of the skills children will learn. Creative, simple, and highly effective, this series is a must-have for every Early Years setting. Over the last ten years, Jillian Harrison-Longworth has planned and delivered a wide range of short but focused activities that can be used to develop aspects of emotional resilience across five key areas: confidence, self-image, self-esteem, perseverance, and cooperation. This book contains refined activities for each of these crucial sections that most commonly arise in schools and settings. 50 Fantastic Ideas for Developing Emotional Resilience provides short but snappy, practical activities as starting points for practitioners to develop emotional resilience in the children they work with.
