Sea Life In Nelsons Time:

Sea Life in Nelson's Time John Masefield, 1905 **Sea life in Nelson's time** John Masefield, 1969 Feeding Nelson's Navy Janet Macdonald, 2014-04-30 The author of *How to Cook from A Z* disproves the myth of British navy culinary misconduct in a work of serious history that is a delight to read *British Food in America* This celebration of the Georgian sailor's diet reveals how the navy's administrators fed a fleet of more than 150 000 men in ships that were often at sea for months on end and that had no recourse to either refrigeration or canning Contrary to the prevailing image of rotten meat and weevily biscuits their diet was a surprisingly hearty mixture of beer brandy salt beef and pork peas butter cheese hard biscuit and the exotic sounding lobsouse not to mention the Malaga raisins oranges lemons figs dates and pumpkins which were available to ships on far distant stations In fact by 1800 the British fleet had largely eradicated scurvy and other dietary disorders While this scholarly work contains much of value to the historian the author's popular touch makes this an enthralling story for anyone with an interest in life at sea in the age of sail Overall this is an excellent examination of this crucial aspect of British naval power and I'm certainly going to try out some of the recipes HistoryOfWar.org *Sea life in Nelson's time* John Masefield, 1920 **Sea Life in Nelson's Time** John Masefield, 1905 **Brassey's Naval Annual**, 1906

Mess Night Traditions Charles J. Gibowicz, 2007-09 This book is about the military Sea Service Mess Night the Sea Services consisting of the Navy Marines and Coast Guard Mess Nights are traditional time honored events going back to at least the 18th Century Formal military dining has historically been a way to communicate to celebrate special events and a way to promote unity and camaraderie The Mess Night although a military formation and a formal event is also a great deal of fun Some of today's protocol and script is not exactly matching the past Today's Mess Night is a bit more regimented and programmed but basically reflects all that was included in the old days and also reflects some of procedures used during the days of sail This book is written because there are no books on Mess Nights this is a first Like many Sea Service customs and traditions this custom has been handed down from generation to generation unwritten Scripts and instructions were not necessary as Mess dinners were common The British Navy can claim a continuous unbroken tradition and they are basically the providers of the American tradition They host Mess dinners much more frequently than the Americans do and the entire Navy traditionally celebrates the anniversary of the Battle of Trafalgar Americans have no set celebration and also have fewer Mess Nights Many officers are not even aware of Mess Nights This is because of several factors covered in the book Hopefully this book will stimulate greater interest in this important event As the alcohol rule for ships rule has been loosened it is particularly hopeful that shipboard Mess Nights can again become an event It would be most appropriate to celebrate the event for which the ship is named or to begin the tradition of celebrating Navy Day or other famous event such as those listed in this book **The Naval Annual**, 1906 The Academy, 1906 *Life In Nelson's Navy* Dudley Pope, 2013-03-08 This is a well researched and highly readable account of naval life both ashore and at sea from a respected and admired
