Gruss, 2009-01-01 I would regard myself as a feminist writer because I'm a feminist in everything else and one can't compartmentalise these things in one's life Angela Carter When I became a feminist in 1968 I felt that I'd come home the first home I ever had that was feminine And it was very wild and theatrical and erotic the early feminism Michèle Roberts Angela Carter and Michèle Roberts share a keen interest in gender and sexual identity but many of their topics seem to mark

them as opposites Roberts's fascination with the impact of religion motherhood and autobiography on female identity covers areas that Carter shuns in her writings In reading these two authors parallel and in contrast to each other this monograph follows a triple objective it provides a comprehensive critical introduction to the works of Roberts explores aspects of Carter's work that have not yet been analyzed sufficiently religion motherhood and masculinity and uses both authors to explore motifs and strategies of feminist writing The analyses of both authors works are supplemented by close readings of a wide range of theoretical perspectives especially French feminism and psychoanalysis and concise theoretical outlines of the topics covered radical feminism religion motherhood and fatherhood masculinity fairy tales romances and chick lit and history and auto biography
