Sea Episodes of a Sailor Richard Longo, 2005-10-01 **Sea Episodes of a Sailor** Richard Longo, **Sailor and Beachcomber Confessions of a life at sea, in Australia, and amid the islands of the Pacific** Arnold Safroni-Middleton, 2019-05-09 Excerpt In the following chapters wherein I have endeavoured to write down my experiences at sea in Australia and on the South Sea Islands I have not gone beyond the first four or five years of my life abroad but later on I hope to do so if I get the chance I have made no attempt to moralise in my book and if I appear to have been guilty of doing so be assured it was a spasm of the intellect and quite forgotten all about a few minutes after I had written it down All I have attempted in this book is to endeavour to tell exactly my experiences as they occurred in my travels in many lands also I have wished to reveal a little of the usual experiences the ups and downs that youths pass through when they go to sea and are left completely on their own in other lands seeking to see the world often ambitious to find a fortune but generally succeeding in only gathering heaps of grim experiences Unfortunately no one can buy his experience first and so the general rule of green fortune seekers overseas is to end in failure and to be honest I was no exception to the rule Nevertheless my loss of all that might have been was amply compensated by the rough brave men whom I met seafarers and otherwise who revealed to me the best side of humanity and the value of good comradeship devil may care fellows with hearts that were blazing hearth fires of welcome in the coldest days of adversity of long ago ere I crammed up with experience and nothing much else down in the stokehold of a tramp steamer returned across the ocean to my native land eventually to get the roving fever and again go seaward *The Story of the American Sailor in Active Service on Merchant Vessel and Man-of-war* Elbridge Streeter Brooks, 1888 **Life of a Scottish sailor; or, Forty years' experience of the sea** John Bain (master mariner.), 1897 **War at Sea** Nathan Miller, 1997-01-30 From the sinking of the British passenger liner Athenia on September 3 1939 by a German U boat against orders to the Japanese surrender on board the Missouri on September 2 1945 War at Sea covers every major naval battle of World War II A first rate work and the best history of its kind yet written Vice Admiral William P Mack U S N Ret 30 photos [Jonah's World](#) Lowell K. Handy, 2014-12-05 The story of Jonah often read as a simple children's story is a multifaceted and elaborate narrative with serious intent Treating the biblical book as a fictitious story based on real locations and recognizable persons Jonah's World examines the background to the story and draws on social science approaches to describe its imaginative world The book explores the geography theology myth human characters natural landscape and the ideology behind the story to uncover a vision of reality shaped by literary technique Jonah's World will be invaluable to students and scholars seeking a new approach to the reading of this colourful text

[With Sails Whitening Every Sea](#) Brian Rouleau, 2015-05-06 Many Americans in the Early Republic era saw the seas as another field for national aggrandizement With a merchant marine that competed against Britain for commercial supremacy and a whaling fleet that circled the globe the United States sought a maritime empire to complement its territorial ambitions

in North America In *With Sails Whitening Every Sea* Brian Rouleau argues that because of their ubiquity in foreign ports American sailors were the principal agents of overseas foreign relations in the early republic Their everyday encounters and more problematic interactions barroom brawling sexual escapades in port city bordellos and the performance of blackface minstrel shows shaped how the United States was perceived overseas Rouleau details both the mariners working class diplomacy and the anxieties such interactions inspired among federal authorities and missionary communities who saw the behavior of American sailors as mere debauchery Indiscriminate violence and licentious conduct they feared threatened both mercantile profit margins and the nation s reputation overseas As Rouleau chronicles the world s oceans and seaport spaces soon became a battleground over the terms by which American citizens would introduce themselves to the world But by the end of the Civil War seamen were no longer the nation s principal ambassadors Hordes of wealthy tourists had replaced seafarers and those privileged travelers moved through a world characterized by consolidated state and corporate authority Expanding nineteenth century America s master narrative beyond the water s edge *With Sails Whitening Every Sea* reveals the maritime networks that bound the Early Republic to the wider world **Tales of Sea and Sailors** Jack

London,2022-11-13 In *Tales of Sea and Sailors* Jack London masterfully encapsulates the raw and unyielding spirit of the maritime world weaving together narratives that explore the intimate relationship between man and the sea With a literary style rich in vivid imagery and evocative language London immerses readers in the perilous life of sailors highlighting themes of survival adventure and the relentless forces of nature This collection grounded in London s own experiences at sea showcases both his affinity for the nautical life and his keen understanding of human endurance against the backdrop of tempestuous oceanic landscapes Jack London an author renowned for his exploration of nature and the human condition was deeply influenced by his early life experiences including his time spent working on a sealing ship and sailing the Pacific His encounters with hardship and adventure fueled his narrative prowess allowing him to depict the fervency of seafarers with authenticity and passion London s background in social issues and his interest in adventure literature further inform the thematic depth and complexity present in this collection *Tales of Sea and Sailors* is a compelling read for those seeking thrilling maritime adventures and profound insights into human resilience Readers will find themselves not only entertained by London s captivating storytelling but also enriched by the poignant reflections on life death and destiny that resonate throughout these powerful tales **The Way of the Sea** Roald Kverndal,2008-01-01

The sea has been both a source of bounty and a bridge of communication through the ages *The Way of the Sea* explores the unique role of seafarers in promoting the revealed plan of the Creator and Redeemer of both land and sea As a follow up to *The Seamen s Mission* Kverndal s comprehensive survey of maritime mission presents both historical and current perspectives While *The Way of the Sea* provides a much needed tool for the developing field of maritime Missiology people from all walks of life will learn from the rich history and culture of kingdom minded seafarers
