Finding Freedom Donna J. Stundahl, 2015-01-29 Do you ever feel like youre wandering in a wilderness alone Are you searching for the same freedom the children of Israel sought only to find oppression at every turn Are you looking for a life filled with promise only to be repeatedly disappointed You are not alone We are all on a journey from slavery to sin to the ultimate Promised Land in Heaven where we will be free Everything in between is a wilderness experience Moses expounded on freedom in the wilderness He explained exactly where to find it and how to get there He clearly spoke to the Jew and the foreigner The question is Does He speak to the Christian as well In her book Finding Freedom Dr Stundahl will wander through the wilderness of Deuteronomy and explore the Hebraic roots of Christianity Finding Freedom reveals the concepts of the Torah assembled in the same format in which they were studied by the Jewish communities since the Babylonian exile These concepts include humility idolatry evil speech teaching learning remembering and listening The analysis of each portion of the Torah considers its applicability to the life of a Christian As the history of Christianity and the Jewish elements of the Gospel are discovered the shadows of Jesus Christ are revealed Wherever you are in the wilderness of your life you too can find the freedom intended just for you Experience the reading the writing and the dance of the Torah *Pathway to Paradise* Elaine Threats, 2008-05-08 Looking for God in all the wrong places Then read this book Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth In the world of today there are some many avenues and paths to choose in life God has given man the freedom to choose his own destiny but in that freedom he has asked that we choose wisely making right choices What is the right choice in life This book is here to help answer that question The bible says the fear of the Lord is the beginning of wisdom therefore having godly fear is the first wise path that anyone can choose Why is it wise to fear God It is wise because once we begin to give God his due respect as the creator of life is where we begin our journey toward discovering every other right and wise pathway life has to offer which leads to true salvation and in the end eternal life This book is a journey

through the Holy Scriptures of the bible in finding that right path to help clear up the fog in the minds of so many looking to know and understand what is true and what is right God has already laid the foundation by the scriptures that we may have the tools and the ability to build a life of success according to the Master who created this great world in which we live and who knows best If you have a true desire to understand the scriptures and want to know what God can do in your life if you are confused about the bible and religion but hope to find the pathway leading to true salvation then read this book Is is here to give good education on biblical truths And as you read keep the bible handy because this book is designed so that as you read it you will need the bible for reference in hopes that you might find the true pathway to paradise *Goodbye Office, Hello World! quite unique He develops neither any new philosophical canons nor believes in any kind of practices which would help man to attain freedom gradually He holds that man can reach the domain of freedom at once provided he keeps his mind free from every kind of thoughts The thoughtless state of mind is the state of a meditative mind It is also the state of a silent mind In a most simple and convincing language Krishnamurti reasserts the importance of the ancient precept know thyself and advises us to seek liberation by acquiring the right knowledge which is the knowledge of one s own self Those who love philosophy and wish to acquaint themselves with Krishnamurti s views on human freedom will find this book very interesting
