Him George de Mohrenschildt, 2014-11-22 Let us hope that this book poorly written and disjointed but sincere will help to clear up our relationship with our dear dead friend Lee Thus concludes a largely forgotten manuscript appended to Volume XII of the House Select Committee on Assassinations Lee of course was Lee Harvey Oswald the man accused of having assassinated President John F Kennedy in Dallas on November 22 1963 and whose closest friend many have argued was Dallas resident George de Mohrenschildt For years following Kennedy's assassination there were rumors and assumptions some started by de Mohrenschildt himself that this colorful larger than life European migrant possessed a key to understanding Oswald's alleged actions The reflections presented here recorded between 1969 and his death in 1977 was de Mohrenschildt's attempt to recover the humanity of a friend he believed had been demonized as simply an insane killer In a series of recollections about his brief friendship with Oswald and his wife Marina between the fall of 1962 and the spring of 1963 de Mohrenschildt recalls conversations about Lee's time in Minsk about political issues of the day particularly Latin America and the Oswalds turbulent and troubled marriage He discusses the assassination and its aftermath including his lengthy 1964 Warren Commission testimony appearance on NBC television and concludes with his own speculations about the possibility of a conspiracy to assassinate Kennedy and the question of Oswald's involvement Threaded throughout are de Mohrenschildt's reflections on the corrosive effects of his friendship with the Oswalds on his and his wife Jeanne's personal and professional lives first in 1964 and then echoing right up to the completion of this manuscript in 1976 Deftly edited and annotated by Michael Rinella whose introduction also supplies critical background information and context this once unwieldy grammatically quirky and eccentrically organized text can now be seen for the valuable biographical social and historical document it actually is *The Warren Commission Report* U.S. Government, President's Commission on the Assassination of President Kennedy, 2023-11-13 Warren Commission Report is the result of the investigation regarding the assassination of United States President John F Kennedy The U S Congress passed Senate Joint Resolution 137 authorizing the Presidential appointed Commission to report on the assassination of President John F Kennedy mandating the attendance and testimony of witnesses and the production of evidence After eleven months of the investigation the Commission presented its findings in 888 page final report The key findings presented in this report were that President Kennedy was assassinated by Lee Harvey Oswald that Oswald acted entirely alone and that Jack Ruby also acted alone when he killed Oswald two days later The Commission's findings have proven controversial and have been both challenged and supported by later studies **The Warren Commission Report: The Official Report on the Assassination of President Kennedy** U.S. Government, President's Commission on the Assassination of President Kennedy, 2023-11-15 The Warren Commission Report The Official Report on the Assassination of President Kennedy stands as a seminal investigation into one of the most pivotal moments in modern American history This comprehensive anthology compiles the findings and analyses of the President's Commission on the Assassination of President Kennedy an endeavor marked by its exhaustive attention to detail
