Search For Peace The:

The Pursuit of Peace Mary Ann Echols PhD, 2023-05-18 There are so many sources of stress in today's world. Sickness and disease, inadequate medical care, the rising cost of living, broken relationships, social conflict, violence, and grief from a pandemic that took so many lives. These problems continue to present major challenges to peace of mind. We try to find peace in any ways but often our best efforts just don't seem to be good enough. This book provides helpful strategies to overcome anxiety, worry, and fear and find peace of mind. The author advocates a change in perspective that shifts the focus from the external world with its trouble and unrealistic expectations to the internal world of self-awareness and spiritual truth. The internal perspective embraces faith in the power of God to change the unchangeable, control the uncontrollable, and to promote spiritual healing, mental and emotional renewal, and strength. Practical, biblically based suggestions and strategies are provided to help the reader apply spiritual principles to problems and difficult circumstances. The reader is taught how to rise above circumstances, release anxiety, worry, and fear, and experience true and lasting peace. *Stolen Lives: A Journey of Survival* Pasquale De Marco, 2025-05-03 Sarah Jones was just 12 years old when she was abducted by a dangerous predator. Sarah's story is a powerful reminder that even in the darkest of times, there is always hope. No matter what you are going through, never give up. There is always light at the end of the tunnel. *Stolen Lives* is a must-read for anyone who has been affected by trauma. It is a story of hope, resilience, and the strength of the human spirit. Sarah's story will inspire you to never give up, no matter how difficult life may seem. About the Author: Pasquale De Marco is a survivor of childhood trauma. She has dedicated her life to helping others who have experienced trauma. You know the God is connected with emotions and hope, but humans are connected with mind and intelligence. In any century, most of the intelligent people have been failing to grasp the secret to become peaceful all the time. Predominantly when we need mental stabilization, we fail to find something meaningful in our intelligence. Most humans change in life when they experience pain. We don't essentially change with minds but with emotions. We are the creatures of emotions, and that's why we get distressed in our lives, even how much intelligent and educated we are. Moreover, our generation is embracing to find solutions in deep, but mostly our answers are in the simple aspects of life. When the extraordinary man understands the ordinary man, the distinction starts ending. Mental pain is less dramatic than physical pain, but it is more common and also hard to bear. C. S. Lewis' *10 Principles to Live Peacefully* the book highlights and elaborates the following practical aspects that can transform your life forever. 1

The Marine, the War, and Me Pasquale De Marco,2025-05-08 The Marine the War and Me is a thought provoking and deeply personal exploration of the nature of war and its impact on the human soul Drawing on his own experiences as a Marine in Vietnam Pasquale De Marco offers a unique and unflinching look at the realities of combat and the lasting legacy of war This book is not a traditional memoir or a historical account of the Vietnam War Instead it is a meditation on the nature of violence the search for meaning in the midst of chaos and the enduring power of hope Pasquale De Marco writes with honesty and candor about the horrors of war but he also finds moments of beauty and grace amidst the darkness The Marine the War and Me is a must read for anyone who has ever wondered about the true cost of war It is a powerful and moving account that will stay with you long after you finish reading it In The Marine the War and Me Pasquale De Marco explores the complex and often contradictory nature of war He writes about the camaraderie and selflessness that can be found in combat but he also writes about the brutality and senselessness of war He questions the morality of war and the wisdom of those who wage it Ultimately The Marine the War and Me is a book about the human spirit It is a story of resilience hope and the search for meaning in a world that is often dark and unforgiving Pasquale De Marco writes with passion and conviction and his words have the power to change hearts and minds If you like this book write a review on google books
