## Search For Faith:

**Finding Faith---A Search for What Makes Sense** Brian D. McLaren, 2009-07-13 Does having faith mean abandoning reason It s easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can t help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they re your answers conclusions you ve arrived at personally without manipulation coercion or game playing For faith to exist and grow it s got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul [Finding Faith---A Search for What Is Real](#) Brian D. McLaren, 2009-07-13 There have been times when you ve felt that if there isn t a God there ought to be Swept up in the mystery of the night sky you ve felt the closeness of its designer Nature s extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you re not even sure exists Religious jargon and games can t satisfy such a longing It s got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul *The Search for Faith and Character in Our Time* Jeff Caples, 2025-09-10 There are many things we seek in life some are important and most are not This book gives insight into our search for faith and the character we develop when we pursue it Different qualities of faith and character are examined in detail Current events are discussed and analyzed from the viewpoint of faith in our time The reader is asked What do you believe in and is encouraged to find out **Searching Issues** Nicky Gumbel, 2011 Offers carefully reasoned answers to the seven questions most commonly raised in the search for faith *Finding Faith* Brian D. McLaren, 2000-06-27 Is there a God What might God be like What is the relationship between faith and certainty Can intelligent people believe in spiritual realities Why are there so many religions Is it possible to experience a relationship with God and if so how If you ve

asked questions like these you're in good company. From songwriters such as Bob Dylan and Jewel Kilcher to TV shows such as *The X-Files* and *Touched by an Angel*, the media and the arts reflect postmodern men and women's search for a living faith and a spiritually oriented life. Real faith isn't blind believism. It is a process that engages your intellect as well as your emotions. If you think faith requires turning your back on truth and intellectual honesty, then *Finding Faith* is one book you really ought to read. With logic, passion, and even handedness, that the thinking person will appreciate, this book helps you face your obstacles to faith by focusing not on what to believe but on how to believe. Whether you want to strengthen the faith you have, renew the faith you lost, or discover faith for the first time, *Finding Faith* can coach, inspire, encourage, and guide you and help you discover more in life than you'd ever imagined or hoped for. [Seeking & Finding God \(B\)](#) Dave Hunt, 2021-04-02. It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low-carb food item, yet the belief of so many, particularly in the area of religion, has no rational or factual foundation. With well-researched arguments and compelling proof, this book demonstrates that the issue of where one will spend eternity is not a matter of preference, like joining the Elks instead of the Lions. In fact, there is overwhelming evidence that we are eternal beings who will spend eternity somewhere. But where will it be? And how can we know? There is no more important question to be faced and answered. [Searching for Faith](#) W. Ross Winterowd, 2004. Winterowd explores timely questions that must concern anyone who thinks about faith, particularly insofar as faith is based on the Bible. Written in a graceful, accessible style, this is an introduction to faith that rational people can embrace. [Find Faith - Holy Bible](#), 2010. The NIV Find Faith Bible highlights select verses of Scripture so that you can easily find Bible verses on people of faith and God's faithfulness when you need them most. [The Search for Miri: A Profound Adventure of Faith](#) Frank D. Tigue, 2024-04-01. Frank Talcott is a struggling attorney. His marriage has been very stressful due to his wife Jennifer's anxiety issues. Unexpectedly, Frank has a dream. An unknown woman appears to him. She tells Frank to follow signs that God is going to provide, since drastic change is impending. She implores him that through patience, God will provide him what he has lacked in his life. This dream motivates Frank to reassess his life's direction. Faith Elizabeth Jennings is a young woman who has experienced tragedies in her life. She had a twin who died shortly after birth. That experience was followed by the death of her beloved grandmother, Eliza Faith. As a result, she began experiencing severe depression. After her death, she ends and eventually marries her childhood sweetheart, Gabe. Her only desire was to live a simple life with Gabe, who she began dating in high school. Tragedy continued incessantly. She experiences a miscarriage. After a renewed fight with depression, she gives birth to a baby boy. This event solidified the contentment of living the simple life. Unfortunately, tragedy recurs when this child develops cancer and succumbs to the scourge shortly thereafter. Finally, Gabe gets sick. He develops a brain tumor and dies. For Faith, it seems there is no way to escape impending tragedies. The stress is unimaginable. *The Search for Miri: A Profound Adventure of Faith* is the story of how the paths of Frank Talcott and

Faith Jennings eventually intersect Through a new profession dreams and unexplainable events Frank and Faith s lives cross in an incredible way Frank has the urgent desire to help Faith conquer her depression and be happy again However will all of Frank s efforts succeed or will Faith nally stumble into a great abyss of depression and sadness never to recover **Find**
