A Quest to Find the King of Kings James L. Larson, 2014-07-28 Do you think the Christmas story is about three kings riding on camels presenting three gifts to baby Jesus in a manger with a star overhead and shepherds nearby with their sheep This may shock you but none of that is true according to the Bible Presented here is the true Biblical account of the events of Christ s birth in addition to a fictional drama that fills in the blanks ties the full Christmas story together See how the world s historical powers changed from one nation to another all bent on one thing control Follow the Magi starting all the way back to Daniel the Prince of Magi Take the journey with this dozen or so sorcerers magicians astrologers king makers as they are led by a star and enlightened by the Old Testament revelations and prophecies gleaned from ancient scrolls Experience the triumph and joy of not only the Magi who forsook all even their religion but also Jesus parents the shepherds Anna and Simeon as they came in contact with the King of Kings Christmas will never be the same after you read this Searching for the Last Anglo-Saxon King Paula Lofting, 2025-04-28 A reexamination of Harold Godwinson explores

his life reign and legacy challenging Norman propaganda and historical myths Harold Godwinson occupied his place in the chronicles for more than twenty years after bursting onto the political sphere when he was barely out of his teens His role in English history has always been overshadowed by his failure to defend his crown and country against the might of William the Conqueror and his invaders His demise at the hands of a Franco Norman hit squad wrought the death knell of Anglo Saxon rule Reigning for just ten months Harold s accomplishments as dux Anglorum and later king of England were undermined by the Norman propaganda that was waged against his memory long after his grisly end in 1066 But just who was this man who some historians recall as one of England s greatest rulers What were his origins Is there any truth that he could trace his ancestry to the House of Wessex and did he really usurp the throne from Duke William the Bastard of Normandy In this re examining of this great historical figure of the eleventh century we glean new theories and ideas not only about Harold s life but also questions historians have pondered upon for years Did Edward really offer the throne to William And how much of William s claim was truth or fiction Paula Lofting presents a thoughtful and careful critique of the previous research Examining his life through a telescopic view of the primary sources she offers the reader a more accurate evaluation of who he was how he died and what happened to his remains after his death on a field near Hastings on October 1066

Out There Search for the Messiah Leonard Holst,2005-11 DANIEL book of mysterious dates and future events has been the concern of serious Bible students for thousands of years Its predictions have challenged the church and the world Exciting reading too Remember Daniel in the lion s den OUT THERE SEARCH FOR THE MESSIAH is different from most books in that it endeavors to simply describe what the book says Daniel s prophecies of the coming of Messiah are the most dramatic to be found in all of Scripture The coming of Jesus the Messiah is predicted more than 500 years before it happened The future of the world and the church is also described in most disturbing detail Daniel is important to every person who is concerned about the future The book proves beyond doubt that the Jesus Christ who appeared on earth 2 000 years ago is the one and only true Messiah and He is out there preparing for a visit to the planet earth IN THE NEAR

FUTURE In Search of the Christian Buddha Donald S. Lopez Jr.,Peggy McCracken,2014-04-01 The fascinating account of how the story of the Buddha was transformed into the legend of a Christian saint The story of Saint Josaphat a prince who gave up his wealth and kingdom to follow Jesus was one of the most popular Christian tales of the Middle Ages translated into a dozen languages and cited by Shakespeare in The Merchant of Venice Yet Josaphat is only remembered today because of the similarities of his life to that of the Buddha In Search of the Christian Buddha is set against the backdrop of the trade along the Silk Road the Christian settlement of Palestine the spread of Islam and the Crusades It traces the path of the Buddha s tale from India and shows how it evolved adopting details from each culture during its sojourn These early instances of globalization allowed not only goods but also knowledge to flow between different cultures and around much of the world Eminent scholars Donald S Lopez Jr and Peggy McCracken reveal how religions born thousands of miles apart

shared ideas throughout the centuries They uncover surprising convergences and divergences between these faiths on subjects including the meaning of death the problem of desire and their view of women Demonstrating the incredible power of this tale they ask not how stories circulate among religions but how religions circulate among stories *The AMAZINGZ: Search for the Ignimp* RV Willis,2010-11-08 The story revolves around the battle between The Ubebe s rulers of the peaceful DeCarthian Warlocks and The Infinites the vicariously sadistic Arganian Mummies wanting control of everything These royal families have been fighting over the past centuries on a planet called Daifinburg The son of a warlock king goes missing leaving Capt Halle Spitfire Xinx Beaumar and Acen Windsor to team up with some unlikely allies for a perilous adventure When news of the Ignimp an elusive stone with the ability to locate the soul of anything in the universe surfaces in Olin Chu Chu many species can feel the power that exudes from it Tree shifting giants ferocious Preystali Owlmen and conniving swarms of transforming hornets among many others search for the Ignimp to use for their own roguish motives On this quest the captain and crew encounter many enemies but their biggest threat comes in the form of the persuasively compelling mummie King Muinei Infinite The Ignimp is up for grabs WHO WILL FIND IT *The Search for the Jade Lizard* Ellen Kay,2005-03 The Search for the Jade Lizard pairs teen aged siblings Andrea and Brad Davis in an exciting and dangerous Hawaiian mystery Everyone is excited to go to the island of Maui and swim play tennis and learn to SCUBA dive But soon after their arrival Brad and Andrea find themselves in a far different kind of adventure one that spells danger Wandering down a Lahaina street Brad and Andrea are told by a fortune teller that they will find an ancient treasure but to beware of the man with the gold earring he is a very bad man an evil man who would stop at nothing even murder to take the treasure from you Undaunted by the warning Andrea and Brad hunt for a missing jade lizard statue that once belonged to Hawaiian royalty Captured by the henchman of the islands biggest crime boss Andrea and Brad must reveal the whereabouts of the treasure or be killed **A Search for Meaning** Paula Harms Payne,2004 In its exploration of drama poetry and prose this collection of nine essays invites students teachers and scholars to rethink their evaluations of Shakespeare Milton Sidney Jonson and other British writers of the Early Modern period Using a formalist approach A Search for Meaning establishes new critical perspectives that are dependent on close readings of the text and current secondary research and which carefully consider reader s reactions *In Search of 'Ancient Israel'* Philip R. Davies,2015-11-19 The appearance of In Search of Ancient Israel generated a still raging controversy about the historical reality of what biblical scholars call Ancient Israel But its argument not only takes in the problematic relationship between Iron Age Palestinian archaeology and the biblical Israel but also outlines the processes that created the literature of the Hebrew bible the ideological matrix the scribal milieu and the cultural adoption of a national literary archive as religious scripture as part of the process of creating Judaism As such in this volume Philip R Davies challenges the whole spectrum of scholarly consensus about the origins of Israel and its scriptures in a manner that is both learned and accessible For this new edition Davies has provided a new

extended introduction in which he considers how the debate has raged since the book was first published and in which he repositions this classic work within the present scholarly context
