Canadiana ,1981 Canadian Books in Print ,1990 *Wharton's Word Search Puzzles* Rev. Wendell S. Wharton, Jr,2015-05-29 Word search puzzles are one of many types of word games which are designed to both challenge and stimulate the mind Unlike cross word puzzles which give clues to the words needed to fill in the blanks of the puzzle words search puzzles present a group of apparently random letters that conceal words that must be identified within the puzzle These word search puzzles were one of several tools developed and utilized by Rev Wendell Wharton as part of a Bible study program for the youth and young adult ministry The puzzles were designed to facilitate learning and recall of the books of the Bible in a unique manner which would make learning both fun and challenging Each word search puzzle within this publication is one 8 1/2 x 11 page of letters which contain the titles of the books of the Bible hidden within them The challenge and the objective is to identify all sixty six books within each puzzle Unique to Rev Wharton s word search puzzles is that the titles or names of the books of the Bible are so arranged on each page such that when all of them have been identified circled or highlighted an image appears Each puzzle has a different image contained within it The images may be a picture of an object a word or words The initial series of puzzles included horizontal vertical and oblique entries There are no oblique entries of name of the books within the puzzles in this publication The earlier versions were also much smaller and did not reveal hidden images The images were added to allow Rev Wharton to quickly assess student progress on a puzzle and offer individualized feedback While the puzzles were initially designed for the youth and young adults the increasing number of requests for copies of the puzzles from adults and seniors suggested that there was a much larger audience Input from Christians who like crossword puzzles revealed an appreciation for this Bible based word search puzzles hence this publication May it be used for the benefit and edification of the saints The Wiersbe Bible Commentary: Old Testament Warren W. Wiersbe, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of God s Word The Wiersbe Bible Commentary Old Testament offers you Dr Wiersbe s trustworthy insights on the entire Old Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read *The Cumulative Book Index* ,1959 **Bookseller and the Stationery Trades' Journal** ,1980 **UnCommon Preaching** Susan Cartmell,2015-07-24 There is a spiritual hunger in the world today Many people are seeking answers to life s hard questions Many people come to church seeking inspiration help for personal problems or faith s perspective on life They come seeking things you cannot find in a search engine The church has exactly what they need but too often there is a gap between our message and our ability to send it Each week as people pause to learn about faith and get a word of hope a lot

rides on the sermon Susan Cartmell took a journey across the country to visit churches with great preaching and lively worship What she discovered was that Evangelical Christians and Unitarian Universalists were using themed preaching effectively to attract new members Working in her church over the last five years she has designed a new system for preaching with themes in mainline Protestant churches She shares her method and her journey in a story that invites you to consider new ways to preach faithfully without using the lectionary **Encountering Ancient Voices** Corrine L.
