Take It Back Tim Clinton,Max Davis,2021 Our culture is determined to redefine masculinity as something it was never meant to be The American Psychological Association asserts that traditional masculinity is psychologically harmful Many agree that forcing men to behave in accordance with the worst stereotypes of manliness harms them and it harms others But is the answer then to marginalize and feminize men Despite culture s determination to redefine masculinity the great heart cry of our day is for men to rise up and take back their rightful place It s a cry that echoes deep in the soul and from all ends of our society and particularly from the women who love their fathers husbands brothers and sons Most women want their men to be honored and to stand up and be men Men have faltered and lost a lot of influence and territory The good news is that for many who struggle there is often a daily yearning to make it right The reality is masculinity is not and never was toxic Readers will find encouragement and affirmation that they matter as men that they can be difference makers in their circles of influence and have a positive impact on the culture They will find grace for their shame over past mistakes and find the ability to move forward This book will help you find encouragement and affirmation that you matter as a man that you can be a difference maker in your circle of influence and have a positive impact on the culture You will find grace to overcome your shame over past mistakes and find the ability to move forward A Man after God's Own Heart Brad Stewart,2015-03-18 David was a man after God s own heart What does it mean to be someone after God s own heart David King psalmist and shepherd gives us a picture with his own life In many ways he is an extraordinary role model a man who was fully human but exceeded expectations and pointed others towards God While the other side of David is most ordinary

showing a life filled with destruction chaos tragedy and his personal struggle with sin How then did David become the national hero of God s chosen people Why is he the one character in the Bible described as a man after God s own heart David s life offers hope to all of us It shows that God can do extraordinary things through ordinary men and women And David offers an insightful perspective on what it means to be truly a man to become like David men after God s own heart In this study David will delight and disappoint you At times you will desire to be just like him while at others you will want to turn and run The Life of David is one of the most colorful examples of manhood in all of Scripture You will be introduced to select key characteristics of David s life but unlike David we have time to make our lives right before God and to lovingly lead our homes This interactive study features eight weeks of individual study materials with a leader s guide and suggested teaching plans at the back of the book *Battlefield of Angels* D.R.Tracy,2013-09 Do you really believe in angels and demons or that the eyes of heaven are constantly upon you What if the heavens gave you a small glimpse of the spiritual realm around you Would it change the way you live your life today David Anderson was given such a glimpse as a young boy Now at the age of 32 he s been called and predestined to partake of a heavenly calling placed upon him that would change his life forever But the evil powers and forces of the spiritual realm of Metro City will stop at nothing to keep the young man away from that calling To be transformed into a man of faith it will take the power of the Holy Spirit and of the angelic warriors of God to prepare protect and safeguard Mr Anderson along his path Don t forget to entertain strangers for by doing some people have entertained angels without knowing Hebrews 13 2 Soldiers in Christ Ministries **David** Marti J.
