Belovedness James Franklin, Becky Zartman, 2020-06-17 This thought provoking book for college students and those who minister with them deals with issues of faith identity sex success failure and more through the concept of belovedness Every college student s story is different but they all have the same questions in common Who am I How do I make good choices What does it mean to be successful How do I navigate changing relationships with my family my peers my significant other And how do I do all of this faithfully This book approaches these topics through a fundamental inquiry What if I really truly believed that I was beloved beyond all measure and how would that influence what I do Along with the editors eight campus ministers from across several denominations contributed to this volume to help students navigate questions of life and faith in the world of high pressure college campuses Telling it like it is with wit and wisdom drawn from scripture tradition and life experience this book offers profound and practical reminders of what it is to be beloved **Finding God at Harvard** Kelly K.
