Season In Between:

The Season Between October Poetry: Udaya R. Tennakoon, he Season Between invites the reader into a reflective landscape where poetry haibun and meditative prose gather like leaves along the quiet edge of autumn In this intimate collection Udaya R Tennakoon observes the fragile spaces between moments between warmth and cold belonging and distance presence and memory These poems unfold slowly like mist lifting from a morning field or rain softly touching a window Through delicate language and attentive silence the work becomes a journal of the mind and heart moving through seasonal and emotional change With influences of Japanese form and philosophical stillness this book holds both personal and universal breath the weight of untold stories the tenderness of relationships the quiet of solitude the questions that arrive when the world pauses Each piece offers a moment to dwell to feel to return to one s inner landscape A book for the season between seasons where transformation is subtle time turns gently and the smallest detail can hold the largest truth

Swaminathan,2018-01-01 Whether the story of the Raamaayana had really happened or it is a creation of the human imagination is difficult to argue But the story is unusual and at the same time beautifully structured original in content and with remarkable characters and stunning events that it is more likely that it is all a fact and not fabricated fiction Mixed with divine and human elements the story has had an irresistible appeal from time immemorial The oldest and most complex version of The Raamaayana is by Sage Vaalmeeki Legend has it God Brahma himself had ordained that Vaalmeeki should write the Raamaayan and the gist of the story was narrated to Vaalmeeki by Sage Naarada It is amazing how from a brief narration Vaalmeeki could fill i all the details to compose a monumental epic of about 22 000 verses It shows the power of Vaalmeeki s vision Transactions of the Medical and Physical Society of Bombay ,1862
