was not only a tactic but a philosophy a biblical imperative and a transforming reality At the age of four Lewis ambitious to become a minister practiced by preaching to his family s chickens When his mother cooked one of the chickens the boy refused to eat it his first act he wryly recalled of nonviolent protest Integral to Lewis s commitment to bettering the nation was his faith in humanity and in God and an unshakable belief in the power of hope Meacham calls Lewis as important to the founding of a modern and multiethnic twentieth and twenty first century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century A believer in the injunction that one should love one s neighbor as oneself Lewis was arguably a saint in our time risking limb and life to bear witness for the powerless in the face of the powerful In many ways he brought a still evolving nation closer to realizing its ideals and his story offers inspiration and illumination for Americans today who are working for social and political change **Heartsick**
