No podium finishes, just pleased to make it across the finish line. This is the story of how he got back into the sport he loves after a serious bike accident. The Long Ride of Major Von Schill Sam A. Mustafa, 2008-09-11 This unique book traces the past 200 years of German history using an iconic German folk hero as a bellwether of changing politics and culture. In 1809, at the height of Napoleon's power in Europe, the Prussian Major Ferdinand von Schill led a revolt against the French empire. Within a month, his rebellion was crushed, and Schill became a martyr for German nationalists. As the years passed, Schill's legend grew and evolved until he had become one of Germany's most famous and celebrated Napoleonic figures, the subject of hundreds of novels, poems, plays, operas, films, biographies, and monuments. Sam A. Mustafa explores the radical changes in German society and politics in the two centuries since Schill's death. In the first English language work on the subject, he shows how Schill remarkably endured as other heroes fell in and out of fashion. For imperial propagandists, Liberal Democrats, Nazis, and Communists alike, he was a favorite historical icon and cultural touchstone. The author traces how an obscure failed rebel became a revered national symbol of patriotism and heroism and the ways each successive German regime coopted his story for its own ideological mission. Drawing on a rich array of primary and secondary sources, Mustafa considers the nature of patriotism, the creation of heroes and heroic mythology, and the fragility of history itself in a masterful narrative that will be an invaluable reference for anyone interested in the German experience during the Napoleonic Wars.

The Long Ride Olin Thompson, 2005-06 This story is of two families drawn together by friendship as well as desire to give justice to the small communities in a raw Wyoming. They dealt with it as it should be done, swiftly and surely. They had little time or patience with those who would take and waste lives of those who would strive for life in the harshest of environments. The Deans and Egans were epitomes of hard work, endurance, and justice in the late 1870s.

A Long Ride Henry Roi, 2022-01-28 It started with a job he knew well: fighting a crowd of thugs. Their message was heard loud and clear by the man at the top of the Tiger Society. The street gangs stopped extorting local businesses and went after Razor with full force. But now his team of extraordinary talents tested like a sword in a forge goes after them. The key to a satisfying life is to do things full of risk. Things the opposite of comfortable. Things just flat out bad. Razor. This book contains adult content and is not recommended for readers under the age of 18.

being produced long after the genre's 1950s heyday. Thanks to regular repertory cinema and television screenings, home video releases and critical reappraisals by cultural gatekeepers such as Quentin Tarantino, an ever-increasing number of these Westerns have become cult films. Be they star-laden, stylish, violent, bizarre or simply little heard-of obscurities, Reframing Cult Westerns offers a multitude of new critical insights into a truly eclectic selection of cult Western films. These twelve essays present a wide-ranging methodological scope from industrial histories to ecocritical approaches, auteurist analysis to queer and other ideological angles. With a thorough analysis of the genre from international perspectives, Reframing Cult Westerns offers fresh insight on the Western as a global phenomenon.

Long Ride (Book 2) Kathryn Thomas, This is book 2 of the Black Sparks MC romance series. Book 3 of this dark motorcycle club romance is available everywhere now. Once you go biker you never go back. I thought I'd moved on. But even though I let go of the bad boy he never let go of me. Nicholas Stone will either drag me to his bed and take me to heaven. Or drag me to hell and watch me burn. LIANA I left home to chase a dream. Instead I stumbled into a nightmare. My police officer ex has gone insane since our break up. He's everywhere I look. Lurking in my shadows. Haunting me. I flee back to the only place I've ever felt safe. But the devil waiting for me in my hometown isn't much better. In the eight years I've been gone, Nicholas Stone has become so much more. More powerful. More tattooed. More irresistible. But just when I start to think that if I let my guard down I can be safe in his arms, a gift arrives from a not-so-secret admirer. My ex has discovered where I went. He sees who I'm with. And I know that my troubles are far from over. In fact, they're just beginning.

NICHOLAS I've never forgotten the girl who broke my heart. But I've filled the hole she left with nothing but pure savagery. The biker life suited me. It lets me get my hands dirty. There's no feeling quite like the wind in your face, an open stretch of highway and your enemies crying for mercy still ringing in your ears. But Liana's return threatens to undo the man I've become. I need to know why she's back after all these years. There must be something she's hiding. And yet she refuses to admit it. Until the ugly truth comes roaring back with a vengeance and a death wish. But there's something different this time around. Liana is mine. And if her ex thinks he can come anywhere near her again, I'll have to teach him the hard way. Never ever mess with a biker.
