The Long Voyage Home, a Film Directed by John Ford from Plays by Eugene O'Neill Judy Myrick Vogel, 1995

Duke Ronald L. Davis, 2012-09-06 Almost two decades after his death John Wayne is still America's favorite movie star More than an actor Wayne is a cultural icon whose stature seems to grow with the passage of time In this illuminating biography Ronald L Davis focuses on Wayne's human side portraying a complex personality defined by frailty and insecurity as well as by courage and strength Davis traces Wayne's story from its beginnings in *Winterset* Iowa to his death in 1979 This is not a story of instant fame only after a decade in budget westerns did Wayne receive serious consideration for his performance in John Ford's 1939 film *Stagecoach* From that point on his skills and popularity grew as he appeared in such classics as *Fort Apache* *Red River* *She Wore a Yellow Ribbon* *The Quiet Man* *The Searchers* *The Man who Shot Liberty Valance* and *True Grit* A man's ideal more than a woman's Wayne earned his popularity without becoming either a great actor or a sex symbol In all his films whatever the character John Wayne portrayed John Wayne a persona he created

for himself the tough gritty loner whose mission was to uphold the frontier s and the nation s traditional values To depict the different facets of Wayne s life and career Davis draws on a range of primary and secondary sources most notably exclusive interviews with the people who knew Wayne well including the actor s costar Maureen O Hara and his widow Pilar Wayne The result is a well balanced highly engaging portrait of a man whose private identity was eventually overshadowed by his screen persona until he came to represent America itself Searching for John Ford Joseph McBride,2011-02-11 John Ford s classic films such as Stagecoach The Grapes of Wrath How Green Was My Valley The Quiet Man and The Searchers have earned him worldwide admiration as America s foremost filmmaker a director whose rich visual imagination conjures up indelible deeply moving images of our collective past Joseph McBride s *Searching for John Ford* described as definitive by both the New York Times and the Irish Times surpasses all other biographies of the filmmaker in its depth originality and insight Encompassing and illuminating Ford s myriad complexities and contradictions McBride traces the trajectory of Ford s life from his beginnings as Bull Feeney the nearsighted football playing son of Irish immigrants in Portland Maine to his recognition after a long controversial and much honored career as America s national mythmaker Blending lively and penetrating analyses of Ford s films with an impeccably documented narrative of the historical and psychological contexts in which those films were created McBride has at long last given John Ford the biography his stature demands *Imagining Ithaca* Kathleen Riley,2021 By examining an eclectic range of creative works spanning the century following the Armistice of 1918 *Imagining Ithaca* presents a narrative of imaginings and experiences simple and complex relating to home longings for home and things absent homecoming and exile Eugene O'Neill Gassner,1965 Eugene O Neill American Writers 45 was first published in 1965 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions **Alcohol and Alcohol Safety: Basic volume with bibliographies** Peter Finn,1972 *The Oxford Handbook of Adaptation Studies* Thomas M. Leitch,2017 This collection of forty new essays written by the leading scholars in adaptation studies and distinguished contributors from outside the field is the most comprehensive volume on adaptation ever published Written to appeal alike to specialists in adaptation scholars in allied fields and general readers it hearkens back to the foundations of adaptation studies a century and more ago surveys its ferment of activity over the past twenty years and looks forward to the future It considers the very different problems in adapting the classics from the Bible to Frankenstein to Philip Roth and the commons from online mashups and remixes to adult movies It surveys a dizzying range of adaptations around the world from Latin American telenovelas to Czech cinema from Hong Kong comics to Classics Illustrated from Bollywood to zombies and explores the ways media as different as radio opera popular song and videogames have handled adaptation Going still further it examines the relations between adaptation and such intertextual practices as translation illustration prequels sequels remakes intermediality and transmediality The volume s contributors consider the similarities and differences between

adaptation and history adaptation and performance adaptation and revision and textual and biological adaptation casting an appreciative but critical eye on the theory and practice of adaptation scholars and occasionally each other The Oxford Handbook of Adaptation Studies offers specific suggestions for how to read teach create and write about adaptations in order to prepare for a world in which adaptation already ubiquitous is likely to become ever more important **O'Neill on Film** John Orlandelle,1982-06 Orlandello s study of the film adaptations of Eugene O'Neill s plays from the 1920s to the 1970s analyzes both the original plays and the Hollywood versions He probes the diversity of these distinct aesthetic modes the stage and the screen Orlandello discusses changes within the film industry resulting from the advent of sound the pressures of censorship the importance of the star system and the technical advances that have influenced the nature and quality of the screen versions of O'Neill s work focusing on critical considerations concerning adaptation **The Movie Guide** James Monaco,1992 From *The Big Sleep* to *Babette's Feast* from *Lawrence of Arabia* to *Drugstore Cowboy* The Movie Guide offers the inside word on 3 500 of the best motion pictures ever made James Monaco is the president and founder of BASELINE the world s leading supplier of information to the film and television industries Among his previous books are *The Encyclopedia of Film* *American Film Now* and *How to Read a Film* Appendix to the Journals of the House of Representatives of New Zealand New Zealand. Parliament. House of Representatives,1907 Appendix to the Journal of the House of the Representatives New Zealand. Legislature. House of Representatives,1907 Critical Companion to Eugene O'Neill, 2-Volume Set Robert M. Dowling,2009 This study explores the personal historical and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh* *The Emperor Jones* *Mourning Becomes Electra* *Hughie* and arguably the finest tragedy ever written by an American *Long Day's Journey into Night* **Billboard** ,1995-11-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Gunmen and Gangsters* Michael Schlossheimer,2018-08-03 Gangsters such as Al Capone and Lucky Luciano were considered by many people to be the most exciting personalities of the 1920s and 1930s The public was hungry for press coverage about these mysterious and dangerous men Most reports about them were sketchy as the reporters did not want to get on the bad side of the racket bosses Hollywood s response to the public s fascination was to portray the lives of gangsters on the movie screen using actors such as Humphrey Bogart James Cagney and Edward G Robinson Perhaps surprisingly these men received not so favorable reviews from the Academy Award voters and as their popularity grew with the public censorship dictated other actors be brought in to play the roles That s what this book is about the personal and professional lives of William Bendix Charles Bickford Ward Bond Broderick Crawford Brian Donlevy Paul Douglas William Gargan Barton MacLane and Lloyd Nolan second string actors who replaced the big names and did a memorable job A filmography is supplied for each actor

Film Adaptation in the Hollywood Studio Era Guerric DeBona, 2010 Guerric DeBona's new book that makes a powerful case that film adaptations are shaped as much by contextual forces as by their literary forbears. Once it is as widely read as it deserves to be, adaptation studies will never be the same. Thomas Leitch, author of *Film Adaptation and its Discontents* from *Gone with the Wind* to *The Passion of the Christ*. **John Wayne** Richard D. McGhee, 2016-09-30 After the death of Marion Morrison known as John Wayne in 1979, President Jimmy Carter said that Wayne was bigger than life. In an age of few heroes, he was the genuine article. But he was more than a hero; he was a symbol of many of the qualities that made America great. The first section of this study concentrates on Wayne's style of work and sphere of action as an actor. The man who works for a living and is concerned with his audience and the constraints of his immediate environment. The second section examines the artist, the man who lives in his art, who disappears into his character as an archetype of human fears and desires. Analyses of films that have made Wayne a hero are presented in the third section. A comprehensive filmography and numerous photographs are included.
