

I love you because I know you're always there...  
there to catch me when I fall... there to listen  
when I need you, there when I feel alone. I love  
you because you understand me... you know how  
I feel even when I can't say it... you know I'm not  
as strong as I say and still you never let me know  
that I'm not fooling you. I love you because you  
make me believe, believe that I am not  
worthless... believe that I can be loved, am loved,  
and can love others. I love you because you  
know, you know I feel this way but can't say it  
and still you wait... letting me take my time to  
come to terms with the fact that I love you...  
would give my life up to be with you... and about  
all... never hurt you... lie to you... or leave you.  
Now I hope you understand.

**Arthur's Home Magazine** ,1886 A Night at the Opera Sir Denis Forman,1998-09-01 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea s Adriana Lecouvreur to Mozart s Die Zauberfl te For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of Fidelio is a bit of a mess while the last scene of Don Giovanni towers above the comic finales of Figaro and Cos and whether or not it is Mozart s greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is

included as well as Operatica or the essential elements of opera from the proper place and style of the audience s applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come
