Lived Religion and the Long Reformation in Northern Europe c. 1300–1700 Raisa Maria Toivo, Sari Katajala-Peltomaa, 2016-09-27 Lived Religion and the Long Reformation in Northern Europe puts Reformation in a daily life context using lived religion as a conceptual and methodological tool exploring how people lived out their religion in their mundane toils and how religion created a performative space for them This collection reinvestigates the character of the Reformation in an area that later became the heartlands of Lutheranism The way people lived their religion was intricately linked with questions of the value of individual experience communal cohesion and interaction During the late Middle Ages and Early Modern Era religious certainty was replaced by the experience of doubt and hesitation Negotiations on and between various social levels manifest the needs aspirations and resistance behind the religious change Contributors include Kaarlo Arffman Jussi Hanska Miia Ij s Sari Katajala Peltomaa Jenni Kuuliala Marko Lamberg Jason Lavery Maija Ojala P ivi R is nen Schr der Raisa Maria Toivo *England's Long Reformation* Nicholas Tyacke, 2003-09-02 These essays examine the long term impact of the Protestant reformation in England This text should be of interest to historians of early modern England and reformation studies **Martin Luther and the Long Reformation** James G Kiecker, 2016-07-01 This helpful book gives you the full story of Martin Luther and the Reformation Have you ever wondered what struggles Martin Luther experienced during the Reformation in the 1500s or how much opposition he faced What challenges attempted to pull him from his path of teaching God s Word to the people Examine the full history of the Reformation in this book From early attempts at reform in the church the scope of Luther s reform to today s present challenges in the church You ll learn about Luther and the Reformation within the wider historical context both the history that preceded the 16th century and the centuries that followed the Reformation all the way to the present **The Long European Reformation** Peter G. Wallace, 2019-09-28 In this established textbook Wallace provides a succinct overview of the European Reformation interweaving the influential events of the religious reformation with the transformations of political institutions socio economic structures gender relations and cultural values throughout Europe Examining the European Reformation as a long term process he reconnects the classic 16th century religious struggles with the political and religious pressures confronting late medieval Christianity and argues that the resolutions proposed by reformers such as Luther were not fully realised for most Christians until the early 18th century This new edition features a brand new chapter on the Reformation from a global perspective updated historiography a new chronology and updated material throughout including on the interrelationship between religion and politics after 1648 The Long European Reformation provides an even handed and detailed account of this complex topic providing a clear overview that is perfect for undergraduate and postgraduate students of history and religious studies New to this Edition New chapter on the Reformation in global perspective Incorporates new perspectives and current debates on Luther and the place of the Reformation within Western history including consideration of how

people lived with their religious differences Expanded conclusion with references to the 500th anniversary and religious continuities
