The Lily and the Thistle William Calin, 2014-01-01 In The Lily and the Thistle William Calin argues for a reconsideration of the French impact on medieval and renaissance Scottish literature Calin proposes that much of traditional medieval and early modern Scottish culture thought to be native to Scotland or primarily from England is in fact strikingly international and European By situating Scottish works in a broad intertextual context Calin reveals which French genres and modes were most popular in Scotland and why The Lily and the Thistle provides appraisals of medieval narrative texts in the high courtly mode equivalent to the French dits amoureux comic didactic and satirical texts and Scots romance Special attention is accorded to texts composed originally in French such as the Arthurian Roman de Fergus as well as to the lyrics of Mary Queen of Scots and little known writers from the French and Scottish canons By considering both medieval and renaissance works Calin is able to observe shifts in taste and French influence over the centuries

Langage Cleir Illumynate , 2007-01-01 Drawn from papers given at an international conference held in 1999 this collection of essays offers new perspectives on Scots poetry of the late Middle Ages and early modern period It includes essays on major poets such as John Barbour Robert Henryson David Lyndsay and William Drummond it also considers less famous writers such as John Bellenden and John Stewart of Baldynneis Across these tightly focused essays two themes predominate the first is the imagined relationship between writer and reader revealing a consistent concern with interpretation in Older Scots writing the second is the place of literary influence whether that too is Scots or from beyond Scotland s borders This volume will be of interest to all academics and students with an interest in Older Scots writing it will also have some appeal for scholars
