Longer Stories:

The Long and Winding Road: a collection of short stories Fairbanks, 2024-03-05 Long and Winding Road is a collection of eleven short stories Nine of the stories are prose one is a play and another is a narrative poem but all eleven are really stories just in different genres The value of a collection of short stories is that you can read just one story at a sitting or two sittings for the longer stories rest from it and then dip in for another treat next reading session Settings are primarily Australian though one story is set in a fictitious ancient kingdom and one in northern Mexico and parts of USA The short play is set in a nursing home of all places Readers will meet a range of interesting characters Miss Magnolia who has a secret Viv Black who uncovers a secret the trans gender Al Mara the young loom girl Therese who becomes Queen the boy wonder Agave who was born without vocal cords but is anything but mute Mohair Mary the talented and prescient Aboriginal woman Doreen teen Essie Esmerelda who discovers gold as she discovers her Self the former sex worker Penelope in a nursing home Master Nathaniel who dies by guillotine and dozens more Some stories border on the bawdy but nothing X rated some deal with tragedy and misadventure some with romance and strong personal bonds It s like life We trudge along life s path the winding road dragging life s burdens behind in the dust not knowing what lies around the next bend But always there are more stories to tell

Long Story Short Andy Frost, 2018-06-21 Your life tells a story From beginning to end your life creates a unique narrative shaped by the wider stories you find yourself in For many in the West the stories that dominate our experience are those of happiness just do what makes you happy safety it s not worth the risk and significance I want to be remembered But what if these stories are too small to really matter Exploring the importance such stories play in our lives Andy Frost Director of Share Jesus International presents an alternative narrative the God Story Long Story Short invites readers to find their place in the only story big enough to live for This book is invaluable for discovering or finding again your story Tim Hughes Andy encourages us to discover a greater narrative that ultimately helps us to find the real meaning for our existence Lou Fellingham About the author Andy Frost is Director of Share Jesus International and is responsible for kick starting a variety of projects that help the Church to communicate the story of Jesus He is a popular speaker and the author of a number of books and has presented Jesus The Series He is married to Jo and they have two daughters Currently living in London Andy loves travelling the world surfing good waves pushing himself in physical challenges and eating Mexican food Follow him on Twitter andythefrosty

The Stories We Are William Randall, 2013-12-31 From time to time we all tend to wonder what sort of story our life might comprise what it means where it is going and whether it hangs together as a whole In The Stories We Are William Lowell Randall explores the links between literature and life and speculates on the range of storytelling styles through which people compose their lives In doing so he draws on a variety of fields including psychology psychotherapy theology philosophy feminist theory and literary theory Using categories like plot character point of view and style Randall plays with the possibility that we each make sense of the events of our lives to the extent that we weave them

into our own unfolding novel as simultaneously its author narrator main character and reader In the process he offers us a unique perspective on features of our day to day world such as secrecy self deception gossip prejudice intimacy maturity and the proverbial art of living First published in 1995 this second edition of *The Stories We Are* includes a new preface and afterword by the author that offer insight into his argument and evolution as a scholar as well as an illuminating foreword by Ruthellen Josselson

Themes and Stories in Youthwork Practice Mark Krueger, 2012-12-06 Learn to follow the rhythms of building a relationship with youth at risk *Themes and Stories in Youth Work Practice* takes a refreshing look at the creative possibilities of working with youth in a variety of group care and developmental settings Author Mark Krueger presents an innovative approach to developing relationships through shared experiences that plays out like modern dance choreographed according to individual needs and strengths but always open to improvisations that follow the rhythms of life The book also promotes a framework of understanding youth work through personal stories constructed alone and together by youth and youth workers *Themes and Stories in Youth Work Practice*

offers a unique perspective on theory and practice as it examines human interaction as an interpersonal inter subjective and contextual process The book recounts a day in the life of a youth worker examines qualitative inquiries conducted by youth workers recalls personal stories and addresses the ways youth workers experiences influence their interactions with youth Counselors working in community centers group homes treatment centers and community and group care programs will discover how to use the interactive dance between workers and youth at risk to create human compositions advancing the story and getting a feel of where they are in moments of connection discovery and empowerment From the author Youth work is like a modern dance We bring ourselves to the moment and try to interact in synch with youths rhythms for trusting and growing As we interact we are in a sense inand passing throughyouth The challenge is to know ourselves so that we can know each other and this comes about in part through a constant exploration of our stories It also comes about when we are in youth work with youth learning how to dance Geared toward experienced youth workers but equally relevant for students and anyone new to the field Themes and Stories in Youth Work Practice is an enlightening read for anyone working in or for residential treatment centers group homes shelters foster care juvenile justice programs community based youth serving organizations after school programs recreation programs camps churches and neighborhood centers **The Press and the**

Suburbs David B. Sachsman,2017-07-05 The changing economic and demographic patterns of the United States have many measurements few of them however are more comprehensive than the new circulation realities of the press This volume tells the story of the twenty six daily newspapers of New Jersey from the 1960s to the 1980s and in so doing tells the story of the rise of suburbia and the golden age of suburban journalism In an intense effort to keep pace with the changing location of their readers and most particularly with the upscale consumers the shift to the suburbs was marked by changes in news coverage advertising and promotion Though people have predicted the decline of newspaper business for more than fifty years they were proven wrong by the rise of the suburban press and by the survival of most newspapers urban and suburban alike through the 1980s and 1990s But in the twenty first century the news and information industry has changed and the national and international economy has faltered In his new preface David Sachsman takes the reader on a tour of what happened to each of the New Jersey daily newspapers since the publication of the original The twenty six newspapers studied have dwindled to sixteen and huge losses in circulation have caused drastic cutbacks and mergers The decline in New Jersey newspaper readership is part of a national trend This is an essential book for all American historians journalists and communication specialists **The long exile, and other stories (What men live by ; Yermak, the conqueror of**

Bureaucracy, Belonging, and the City in North India Michael S. Dodson,2020-04-15 This book is a re evaluation of modern urbanism and architecture and a history of urbanism architecture and local identity in colonial north India at the turn of the twentieth century Focusing on Banaras and Jaunpur two of northern India s most traditional cities the book examines the workings of colonial bureaucracy in the cities and argues that interactions with the colonial state were an integral aspect of the ways that Indians created a sense of their own personal investment in the city in which they lived The book explores the every day and the mundane to better understand the limits of British colonial power and the role of Indians themselves in the making of the modern city Based on highly localized archival source material the author analyses two key aspects of city making in this era

the building of new infrastructure such as water supply and sewerage and new policies governing historical architectural conservation The book also incorporates an ethnography of contemporary urban space in these cities to advocate for a more nuanced and responsible approach to writing the history of such cities and to address the myriad problems of present day north Indian urbanism Containing examples of bureaucratic procedure and its contradictions and enlivened by a set of personal reflections and narratives of the author s own experiences this book is a valuable addition to the field of South Asian Studies Asian History and Asian Culture and Society Colonial History and Urban History Course of Study in Reading, Literature, Composition, Grammar, Spelling and Handwriting, Grades I to VIII.
