The Representation of the Ottoman Orient in Eighteenth Century English Literature Hasan Baktir, 2010-08-01 Inspired by the growing interest in oriental countries and cultures Hasan Baktir examines the representation of the Ottoman Orient in 18th century English literature taking a new perspective to achieve a comprehensive understanding and investigating different aspects of the interaction between the Ottoman Orient and 18th century Europe A number of questions continue to arise in the wake of Said's 1978 landmark study *Orientalism* How monodirectional was the flow of power in such representations To what extent did the travelling observer also participate and become influenced by the phenomena he tried to depict without attachment What variety of motivations lay behind the desire to know and represent the Oriental other was it simply a question of political control Or were there deeper more enigmatic factors at play sexuality existential affirmation even utter idiosyncrasy How various and diverse was the Western response to the East can we discern degrees of sympathy knowledge and difference in the various Orients offered to us by the canonical and non canonical figures of 18th century English letters Baktir's study provides answers to many aspects of these questions through a detailed examination of very different texts Baktir does not completely reject Said's argument that European writers created a separate discourse to represent the Orient rather he shows us that there was also a dialogic and negotiating tendency which did not make a radical distinction between the East and the West Relying his argument on 18th century pseudo oriental letters oriental tales and oriental travelogues Baktir demonstrates that the representation of the Ottoman Orient in 18th century English literature differs essentially from earlier centuries because a developing critical and liberal spirit established a negotiation between the two worlds In this book he indicates how the critical and inquisitive spirit of the age of Enlightenment interanimated Oriental and European cultures

The Longman Anthology of British Literature David Damrosch, Clare Carroll, Constance Jordan, 2002-08 Volume 1B The Early Modern Period of The Longman Anthology of British

Literature is a comprehensive and thoughtfully arranged text that offers a rich selection of major British authors throughout the Early Modern Period

Eighteenth-Century Women Poets and Their Poetry Paula R. Backscheider, 2005-12-31 Our sense of eighteenth century poetic territory is immeasurably expanded by this excellent historical and cultural study of UK women poets of the era Cynthia Wall *Studies in English Literature* This major work offers a broad view of the writing and careers of eighteenth century women poets casting new light on the ways in which poetry was read and enjoyed on changing poetic tastes in British culture and on the development of many major poetic genres and traditions Rather than presenting a chronological survey Paula R Backscheider explores the forms in which women wrote and the uses to which they put those forms Considering more than forty women in relation to canonical male writers of the same era she concludes that women wrote in all of the genres that men did but often adapted revised and even created new poetic kinds from traditional forms Backscheider demonstrates that knowledge of these women's poetry is necessary for an accurate and nuanced literary history Within chapters on important verse forms she sheds light on such topics as women's use of religious poetry to express ideas about patriarchy and rape the important role of friendship poetry same sex desire in elegy by women as well as by men and the status of Charlotte Smith as a key figure of the long eighteenth century not only as a Romantic era poet Co Winner James Russell Lowell Prize Modern Language Association

British Women Poets of the Long Eighteenth Century Paula R. Backscheider, Catherine E. Ingrassia, 2009-10-30 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R Backscheider and Catherine E Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded

British Literature and Print Culture Sandro Jung, 2013 The essays collected here offer examinations of bibliographical matters publishing practices the illustration of texts in a variety of engraved media little studied print culture genres the critical and editorial fortunes of individual works and the significance of the complex

interrelationships that authors entertained with booksellers publishers and designers They investigate how all these relationships affected the production of print commodities and how all the agents involved in the making of books contributed to the cultural literacy of readers and the formation of a canon of literary texts Specific topics include a bibliographical study of Aphra Behn's *Oroonoko* and its editions from its first publication to the present day the illustrations of John Bunyan's *Pilgrim's Progress* and the ways in which the interpretive matrices of book illustration conditioned the afterlife and reception of Bunyan's work the almanac and the subscription edition publishing history collecting reading and textual editing especially of Robert Burns's poems and James Thomson's *The Seasons* the printing for the author practice the illustrated and material existence of Sir Walter Scott's *Waverley* novels and the Victorian periodical *The Athenaeum* P 4 of cover

assessments of her contributions to literary and cultural shifts including perspectives on literary value women's equality religion and affairs of state This first volume provides established texts of Finch's early manuscript books including *Poems on Several Subjects* and *Miscellany Poems with Two Plays* written under her pen name Ardelia **Exploring Borders and Boundaries in the Humanities** Melih Karakuzu, Hasan Baktır, Banu Akçeşme, Betül Ateşci Koçak, 2021-05-26 In a post everything world we have felt more pain than happiness in building and tampering with borders The term border has been expanded to become a ploy for grim chauvinistic self flattery and ultra nationalist bigotry We have also faced notorious coverage of the border in the media worldwide and its diverse forms have been extensively deployed in cinema and literature Centering on a wide range of literary and cinematic genres the contributors to this volume explore and explain distinct theoretical and scholarly arguments to promote research on literary linguistic and media representations of the word border

Approaches to Teaching the Novels of Henry Fielding Jennifer Preston Wilson, Elizabeth Kraft, 2015-12-01 Offers pedagogical techniques for teaching Henry Fielding's novels bringing considerations of epic comedy romance religion law politics class gender narrative voice style formalism historicism and book history into the college classroom Includes information on editions reference works biographies and online resources Gives syllabus suggestions for undergraduate and graduate courses **Spirits Unseen** Christine Göttler, Wolfgang Neuber, 2008 Investigating the meanings and uses of spiritus in a variety of early modern disciplines and fields natural philosophy theology music literature and the visual arts this book revisits the ambivalent history of a central ancient concept in a period of crisis and change 2012 Joseph Gelfer, 2014-09-11 21 December 2012 was believed to mark the end of the thirteenth Baktun cycle in the Long Count of the Mayan calendar Many people believed this date to mark the end of the world or at the very least a shift to a new form of global consciousness Examining how much of the phenomenon is based on the historical record and how much is contemporary fiction the book explores the landscape of the modern apocalyptic imagination the economics of the spiritual marketplace the commodification of countercultural values and the cult of celebrity **Charlotte Smith's Liberal**

Feminism Anne Chandler, 2025-09-01 This book reassesses the feminist politics of Charlotte Smith 1749-1806 by prioritizing the editorial content of her fiction over the Romantic lyricism of her poetry It describes Smith's application of patriot Whig discourse to the controversies of the Revolutionary era Two constants emerge in Smith's novelistic canon a reform agenda endorsing partisan opposition and a social contract and a feminist agenda foregrounding intellectual freedom These liberal stances provide a counterpoint to a research tradition that has viewed the ups and downs of Smith's radicalism as need driven responses to Revolutionary events and domestic hardships The policy discussions embedded in Smith's novels show that her theory of reform rested as much on ideals of British constitutionalism and enlightened fraternalism as on her own experiences of patriarchal oppression Earnest young men seeking jobs and helping women along the way were central to her vision of cultural renovation Her depictions of male sociability connect with her clear emulation of such forebears as Fielding

and Smollett whose comedic methods add nuance to her polemics Smith the novelist was more interested in the entertainment value of low humour than biographical readings have suggested Overall then this book raises Smith's stature as a contributor both to the Burke Wollstonecraft Paine debates of the 1790s and to the liberal feminism of the early nineteenth century by emphasizing the variety of her prose sources
