Webb, 2014-09-09 This new Companion provides a wealth of information on the history of Germany since the Second World War including much material which is not readily available Throughout equal attention is devoted to East and West Germany and covers political social cultural and economic developments The author provides information on for example political parties and office holders living standards crime and the environment Germany s relationship with the European Union and East Germany up to 1990 Attention is also devoted to topical issues such as opposition and dissent in the East terrorism neo nazism and racial violence An essential reference book for anyone studying or teaching postwar Germany in history or politics departments      **The PDS - A symbol of eastern German identity?** Adrian Webb, 2009-03-26 Die Linke the Left is

now Germany s third largest political party and the fourth largest political grouping in the Bundestag Germany s parliament Die Linke however is the result of a fusion in June 2007 between the left wing of the German social democratic party SPD and the Partei des demokratischen Sozialismus PDS the successor to East Germany s former effectively Communist ruling party the SED In practice the PDS contributed 60 000 of the new party s 72 000 members making Die Linke an essentially eastern German party Moreover the PDS had been unique in enjoying a level of electoral success denied to other Communist successor parties which had not turned themselves into mainstream social democratic parties within the new liberal democratic order This book employing the period 2001 03 for its detailed analysis suggests that this uniqueness is best understood as either an expression of eastern German national sentiment or as deriving from a reinterpretation of Marxism attuned to the interests of a democratic twenty first century society and the book explores these alternative understandings in turn Noting both the historic distinctiveness of German capitalism and the contradictions within German communism it concludes that the PDS now fused in Die Linke remains nourished by the particularism of eastern Germany      **The**

**Longman Companion to European Nationalism 1789-1920** Raymond Pearson, 2014-09-25 A highly topical analysis of European Nationalism from the French Revolution through to the aftermath of the First World War when the nationalist issues and problems that dominate the political landscape of our own time were already fully established Covering an enormous range of peoples from the Icelanders to the Gypsies from Brittany to Wallachia the book presents a wealth of historical geopolitical information unavailable elsewhere Essential as a reference work it also provides a unique opportunity to survey systematically a crucial but fragmented subject in its full European context For historians political scientists departments of European studies and general readers

**Central Europe**, 2007 *Nationalism and Territory* George W. White, 2000 Why do nations come into conflict What factors lead to the horrors of ethnic cleansing This timely book offers clear eyed answers to these questions by exploring how national identity is shaped by place focusing especially on Serbia Hungary and Romania Moving beyond studies of nationalism that consider only the economic and geostrategic value of territory George W White shows that the very core of national identity is intimately bound to specific places Indeed nations define themselves in terms of spaces that have historical linguistic and religious meaning as Serbs have clearly demonstrated in Kosovo These territories are concrete expressions of a nation's identity both past and present With his detailed analysis of the places that define national identity in Southeastern Europe White convincingly shows why territorial disputes so often escalate into war

**Longman Companion to Britain since 1945** Chris Cook, John Stevenson, 2014-09-09 This timely new edition of the Longman Companion to Britain since 1945 compiled by the series editors themselves provides a wide ranging compendium of key facts and figures on British history from the start of the landmark Attlee government in 1945 to the final years of the 1990s The book embraces all major aspects of British history government and society reflecting the massive social political and economic changes that have transformed the face of Britain since the end of the Second World War Fully revised and updated this new edition covers the advent of Tony Blair the electoral victory of New Labour in 1997 and the major constitutional changes currently underway in Britain This book will be invaluable to anyone interested in the history and politics of post war Britain from students and teachers to party activists and lovers of reader friendly reference books

Chamberlain, 2014-06-11 The European empires as they existed from the Age of Discovery until after the First World War shaped the modern world So great has been their political economic and cultural influence that to fully understand contemporary history and events it is essential to have an understanding of the imperial past This book is an impressive achievement It brings together in one comprehensive volume all the essential facts and figures relating to the process of empire building by the European powers It complements the Longman Companion to European Decolonisation in the Twentieth Century by the same author together they help to explain why different empires had different philosophies dissolved in different ways and left different legacies *Konstruowanie historii* Anna Peck, Stosunek do w asnej historii i roli dziejowej cz sto r ni si od sposobu jej postrzegania przez innych Zjawisko kreowania wizji i interpretacji historycznych stanowi nieod czny element procesu edukacyjnego Percepcja oraz sposoby prezentacji polskiej historii i kultury w ameryka skich podr cznikach szkolnych i akademickich w zakresie przedmiot w historii powszechnej historii europejskiej oraz historii cywilizacji zachodniej by y w XX i na pocz tku XXI wieku ksztaltowane pod wp ywem zmieniaj cej si sytuacji spo ecznej i politycznej oraz dominuj cych tendencji naukowych W koncepcjach filozoficznych i intelektualnych rozwijanych w Europie Zachodniej i Stanach Zjednoczonych od czas w o wiecenia do ko ca okresu zimnej wojny najcz ciej wykluczono narody oraz pa stwa Europy rodkowej i Wschodniej z kr gu dominuj cej w wiecie cywilizacji zachodniej W konsekwencji Polska jej historia i kultura by y traktowane marginalnie Autorka analizuje nie tylko zawarto podr cznik w lecz tak e przyczyny dla kt rych ci gle jeszcze trudno znale informacje m in na temat udzia u Polak w w drugiej wojnie wiatowej Katynia czy powstania warszawskiego *Entangled Histories of the Balkans - Volume Two* Roumen Daskalov, Diana Mishkova, 2013-11-14 Modern Balkan history has traditionally been studied by national historians in terms of separate national histories taking place within bounded state territories The authors in this volume take a different approach They all seek to treat the modern history of the region from a transnational and relational perspective in terms of shared and connected as well as entangled histories transfers and crossings This goes along with an interest in the way ideas institutions

and techniques were selected transferred and adapted to Balkan conditions and how they interacted with those conditions resulting in languages and hybridization The volume also invites reflection on the interacting entities in the very process of their creation and consecutive transformations rather than taking them as givens Contributors include Diana Mishkova Alexander Vezekov Constantin Iordachi Roumen Daskalov Tchavdar Marinov Blagovest Njagulov Recommended Reference Books for Small and Medium-Sized Libraries and Media Centers Martin Dillon, 2004-04-30 Essential for reference work and indispensable for collection development this book helps you quickly identify the best most affordable and most appropriate new reference titles in any given field The approximately 500 books reviewed in this 23rd annual edition have been selected from American Reference Books Annual Libraries Unlimited 2003 as the best works for smaller libraries A must if your budget precludes ARBA this time saving tool also makes an excellent supplement
