### **On the Subject of Values ... and the Value of Subjects: New thinking to guide schools through the curriculum**

Bridget Knight, 2022-12-02 Education is a values based experience. Consciously or not we are highly attuned to one another's values. We see time and again that the best schools are compelled and propelled by strong values which inspire and guide the creation of a meaningful context for learning and an aspirational ethos. However values can often be submerged, overlooked or ignored. By infusing our teaching with values both explicit and implicit learning can serve a greater purpose, nourishing us as humans and deepening our experience. Drawing on the views and inspired teaching practice of a range of contributors, this book offers both the theoretical underpinning and practical examples to bring values to life in the classroom. It shows how each subject has a unique and valuable role and how a values based culture generates a powerful climate for successful learning in every subject discipline. It is a bedside book that will bring joy and practical support to the many professionals who work from the heart and wish to touch the future. It offers validation to those teachers who deeply care about the subject disciplines they teach, ultimately making a difference to children, their lives and their world. In our current educational context, this work is unashamedly people orientated, futures thinking and forward facing.

### **Michael Foreman: A Life in Pictures**

Michael Foreman, 2015-11-26 One of my earliest memories is lying on the floor in front of the kitchen fire, drawing. Michael Foreman. During the war, paper was in short supply but the large biscuit tins delivered to his Mum's shop were lined with white paper. The tins were about twelve inches square so unfolded the paper would be four feet long. Perfect for drawings of marching soldiers and convoys of tanks, the village traffic of his childhood. This is a celebration of Michael's life as a master storyteller and illustrator, told through his own autobiographical tales, diary extracts, original sketches and illustrations from his award-winning publications. Beginning with his childhood in wartime Suffolk and his early career as a young artist and culminating with his collaborations with world famous authors Terry Jones, Michael Morpurgo and Quentin Blake, this book showcases his greatest hits and reveals the places, stories and people that inspired him along the way. Divided into three parts: Memories of Childhood, Looking through War, Boy After the War, Was Over and War Game, Far Flung Places, Looking through Treasure Island, Wind in the Willows, Alice in Wonderland, Wizard of Oz, World of Fairy Tales and Classic Fairy Tales, Friends and Collaborators, Looking through Eric the Viking, Fairy Tales, Nicobobinus, Animal Tales, Fantastic Stories, Arthur, Robin Hood, Joan of Arc, Billy the Kid and Farm Boy. I have been lucky with writers. None have been real trouble. Some I never met. Some I meet only after the book is finished and some the easiest to get along with are the dead ones. Most become friends. Michael Foreman. AB Bookman's Weekly, 1994. *Better Books! Better Readers!* Linda Hart-Hewins, Jan Wells, 1999. Grade level 1 2 3 k p e t.
