Long-term Care ,1997 **Long-term Care Insurance as an Employment Benefit** United States. Congress. House. Committee on Government Reform and Oversight. Subcommittee on Civil Service,1998 **Long-Term Care and Medicare Policy** David Blumenthal, Marilyn Moon, Mark Warshawsky, 2004-05-13 As the population ages policymakers must evaluate the nation's readiness to assist a growing group of people with conditions requiring chronic and long term care Based on the 2002 annual meeting of the National Academy of Social Insurance this new volume offers a variety of viewpoints from policymakers researchers and experts who examine how well the needs of the elderly and disabled Americans are being met by today's financing and delivery systems in light of potential reform options Particular attention is paid to care coordination issues namely the impact of acute care policies on long term and chronic care to draw attention to how the segmentation of healthcare provision can create disruptions in patient care Authors address the advantages and disadvantages of varying levels of state federal and private involvement in long term care Clearly for people to access appropriate long term care today and tomorrow a careful balance of financing sources and integrated health care must be achieved Researchers analysts and policymakers therefore will find this volume useful to informing thoughtful analysis of important long term care issues

Handbook of Aging and the Social Sciences Robert H. Binstock, Linda K. George, Stephen J. Cutler, Jon Hendricks, James H. Schulz, 2011-05-05 The Handbook of Aging and the Social Sciences Sixth Edition provides a comprehensive summary and evaluation of recent research on the social aspects of aging The 25 chapters are divided into four sections discussing Aging and Time Aging and Social Structure Social Factors and Social Institutions and Aging and Society Within this context aging is examined from the perspectives of many disciplines and professions including anthropology bioethics demography economics epidemiology law political science psychology and sociology The Sixth Edition of the Handbook is virtually 100% new material Seventeen chapters are on subjects not carried in the previous edition Seven topics were carried over from the previous edition but written by new authors with fresh perspectives and brought up to date Some of the exciting new topics include social relationships in late life technological change and aging religion and aging lifestyle and aging perceived quality of life economic security in retirement and aging and the law There is also a greater emphasis on international perspectives particularly in chapters on aging and politics diversity and aging and immigration The Handbook will be of use to researchers and professional practitioners working with the aged It is also suitable for use as a course text for graduate and advanced undergraduate courses on aging and the social sciences *Long-Term Care* ,1997-01 *Private Pensions and Public Policies* William G. Gale, John B. Shoven, Mark J. Warshawsky, 2004-04-21 The private pension system together with Social Security has provided millions of Americans with income security in retirement But over the past thirty years pension coverage has stagnated leaving behind some vulnerable groups Defined contribution plans have exposed workers to greater investment risk while cash balance and other hybrid plans may have adverse effects on older workers caught in the transition

Pension regulations infamous for their complexity can be bewildering to policy analysts and policymakers Private Pensions and Public Policies sheds timely and much needed light on specific issues within the broader context and framework of pension reform Contributors focus on topics that must be addressed in any reform effort including the effects of the shift in emphasis toward defined contribution plans after the 1974 Employee Retirement Income and Security Act and hybrid plans from the 1990s regulatory issues such as nondiscrimination rules and contribution limits how to increase the information available to participants and improve financial education how participants in defined contribution plans make choices on questions such as asset allocation back loaded versus front loaded saving and annuities versus lump sum distributions and the interaction of the private pension system with Social Security Contributors include Robert L Clark North Carolina State University Sylvester J Schieber Watson Wyatt Worldwide Richard A Ippolito George Mason University School of Law Alan L Gustman Dartmouth College Thomas L Steinmeier Texas Tech University John Karl Scholz University of Wisconsin Dean M Maki JPMorgan Chase William Even Miami University of Ohio Jagadeesh Gokhale American Enterprise Institute Laurence J Kotlikoff Boston University Mark J Warshawsky TIAA CREF Institute Annika Sunden Boston College Andrew A Samwick Dartmouth College David A Wise Harvard University Joel Dickson T

Geriatric Residential Care Robert D. Hill, Brian L. Thorn, John Bowling, Anthony Morrison, 2013-06-17 This book's main goal is to examine the concept of residential care from a psychological perspective The chapter authors espouse a psychological approach to long term residential care and an effort is made throughout the text to present a model of care that encompasses the whole individual Since psychologists are being increasingly asked to provide consultation to long term residential care facilities the need for psychologically based care models has become apparent This text offers assistance in developing and maintaining residential care environments that maximize quality of life and personal well being in the presence of declining physical and emotional resources that are associated with the vicissitudes of living into advanced aging Geriatric Residential Care is divided into four parts Part I addresses psychological and social issues facing the frail elderly who are candidates for or are living in residential care settings Part II addresses issues in the assessment of individuals in residential care Part III highlights the design and execution of intervention strategies in residential care Part IV addresses how organizational aspects of residential care contexts can optimize the quality and meaningfulness of care

Innovations in Retirement Financing Olivia S. Mitchell, 2002-02-26 From the Wharton School

Retirement Income Mark Warshawsky, 2012 Strategies products and public policies that will help a new generation of retirees maximize income and minimize risk As members of the baby boom generation head into retirement they face an economic environment that has changed noticeably since their parents retired Most of these new retirees will not be equipped as many in the earlier generation were with private pension plans early retirement options and fully paid retiree health benefits in addition to Social Security and Medicare Today it is increasingly left to retirees themselves to plan how to maximize retirement income and minimize risk In Retirement Income Mark

Warshawsky and his colleagues describe strategies products and public policies that will help a new generation achieve financial security and income growth in retirement Warshawsky a noted expert in the field who has worked in both government and private industry analyzes two insurance vehicles life annuities and long term care insurance and their capacity to protect against the extra costs arising from longevity and disability He proposes two innovations The first is a strategy that includes a set percentage withdrawal from a balanced portfolio which is gradually used to purchase a ladder of life annuities The second proposal which includes a description of the potential choices in product design and available tax characteristics is a product that integrates the immediate life annuity and long term care insurance With Retirement Income Warshawsky offers practical ideas based on the results of empirical investigations and analyses which can be applied to household decision making by retirees and their financial planners and to the design of insurance products and public policy
