H. Linville, 2015-01-31 It is 1897 in Seattle Washington as Elmer trudges through the streets in search of food and work Across town Elmer's uncle Henry goes about his day scooping horse droppings a job he is grateful to have But everything is about to change when Elmer gets wind that ordinary men are striking it rich by panning for gold in the Klondike Despite the rumors that traveling to the Yukon can be treacherous the two men are determined to escape their wretched existence and experience the heyday of the gold rush After their heroism in

Chowning,2008-08-19 Tangier Island lies in the Chesapeake Bay about midway between Tidewater Virginia and Virginias Eastern Shore about ten miles below the Maryland state line and about forty miles above Cape Charles Since Tangier was settled nearly three hundred years ago most of the men who have lived there have worked the water and to a large extent that is still the case Until recent years the islanders lived in remote isolation They were an independent lot self reliant and not infrequently rather eccentric The tales in this collection are true For the most part they recount events in the life of Elmer Crockett born on Tangier in 1903 who has shared with Mr Chowning the reminiscences of his lifelong occupation as a waterman A few of the stories involve earlier generations of Crocketts and the accounts handed down have become part of the island lore Sometimes two or more events have been woven together sometimes names have been changed a little poetic license has been taken but all in all the tales are a true mirror of life on Tangier Island This is the real stuff told by a natural born storyteller recorded by a sensitive reporter with an ear for the turn of phrase and the rhythm of the island speech The barcat of the books title refers to a workboat characteristic of the Tangier area a small skipjack usually 26 to 28 feet long with a catboat rig **Just Plain Murder** Laura Bradford,2018-11-27 Claire Weatherly and her beau police detective Jakob Fisher learn that when it comes to murder evil can hide in plain sight in this all new addition to the national bestselling Amish Mysteries Jakob and Claire have been enjoying more time together in lovely Heavenly PA With Claire s help the detective is making slow progress reconnecting with the members of his Amish family who shunned him when he left to pursue a career in law enforcement Jakob s mentor Russ Granger the long retired police chief who inspired him to become a cop is back in town Claire has always wanted to meet the man who changed the course of Jakob s life But not long after he arrives in Heavenly Russ is murdered Jakob can only imagine that his old friend must have been killed by someone outside of the Amish community He and Claire soon find that things are not as they seem and that Russ may have stumbled into something sinister before he was killed The answers they uncover are closer to home and more shocking than they ever expected **When the Killing Starts** Ted Wood,2014-04-01 This gripping crime thriller pits the most savvy cop currently in the genre and his police dog against a band of mercenaries Library Journal Reid Bennett police chief of tiny Murphy s Harbour in Canada is looking forward to a month s vacation He plans to spend time with his girlfriend Freda and he might even get to go fishing with his dog Sam But then Norma Michaels the wife of a rich businessman turns up with a 25 000 offer Find her twenty year old son Jason He has run off with some mercenaries to train for overseas service

and she is afraid she has lost him forever Even though he is of age she wants him found and she will pay handsomely The mercenaries call themselves Freedom for Hire and their leader is a cashiered sergeant from the British paratroopers who now styles himself Colonel George Dunphy He was court martialed for brutality forced out of the service and stands ready to brutalize a bunch of young men while stealing their pay Since people like Dunphy annoy Reid he decides to take the job despite the minor risk of a few ex SAS men with automatic weapons but he is more worried that the boy will not want to come home when he is found There are lots of questions to be answered when he and his German shepherd head north on the hunt for a few good or maybe bad men
