Ferrebe, 2005-12-15 Tracing the influence of masculinity on fictional form and theme through an era of dizzying social change this timely new book conducts a close analysis of English novels selected for contrasting definitions of the male gender from the allegedly Angry Young Men to the contemporary confessions of Nick Hornby The literary period since 1950 is interpreted as one of intense political and stylistic negotiation by male authors with the gendered subject positions both of fictional characters and those who read about them *African American Lives* Henry Louis Gates, Evelyn Brooks Higginbotham, 2004-04-29 The first book of its kind since 1982's Dictionary of American Negro Biography *African American Lives* leads us into a new era of African American biographical scholarship In collaboration with Oxford University Press and the American Council of Learned Societies and with contributions from over four hundred scholars and experts in many fields the editors and their staff at the W E B Du Bois Institute for African and African American Research at Harvard University have collected in this single volume the lives of many of the most important and most interesting names in African American history BOOK JACKET *A Visit from the Goon Squad* Reread Ivan Kreilkamp, 2021-02-02 Jennifer Egan described

her Pulitzer Prize winning novel *A Visit from the Goon Squad* as a combination of Proust and *The Sopranos* In rereading the book Ivan Kreilkamp takes Egan up on her comparison showing how it blends a concern with the status of the novel in the twenty first century with an elegiac meditation on how we experience the passage of time Kreilkamp a former music critic examines how Egan s characters turn to rock and especially punk in search of community and meaning He considers what the novel s portrayal of music says about the role of art in contemporary culture as digitization makes older technologies obsolete Combining personal and critical reflection he reveals how *A Visit from the Goon Squad* articulates and responds to the sense of loss many feel as cherished physical objects are replaced with immaterial data For Kreilkamp Egan s novel compellingly combines the psychological realism of the nineteenth century novel with more recent and transient forms such as the celebrity magazine profile or a PowerPoint presentation to provide a self reflective diagnosis of the decay and endurance of literature Arranged like Egan s novel into A and B sides this book highlights not only how *A Visit from the Goon Squad* speaks to our mass media and digital present but also its page turning pleasure
