

One, remember to look up at the stars and not down at your feet. Two, never give up work. Work gives you meaning and purpose and life is empty without it. Three, if you are lucky enough to find love, remember it is there and don't throw it away.

In the Twinkling of His Eye Peachey,2014-05 LARGE PRINT EDITION The Bible says in I Thessalonians 5 3 KJV For when they shall say peace and safety then sudden destruction cometh upon them as travail upon a woman with child and they shall not escape As people are going about their daily lives a suddenly event will take place that will engulf and cause great sorrow for the human race An event never dreamed of will strike One day you will open the door and everything will end changing you for all time You will be stepping into the future as your past will be gone The Holy Spirit gave me a vision of a coming event that will transform all of mankind To prepare me for this future event I experienced an encounter with God at the age of sixteen This was not something a person would seek out or plan to happen but the Lord God Almighty came into my room one night and fear and respect for him entered into my being

Grey Aliens and the Harvesting of Souls Nigel Kerner,2010-01-19 Exposes the agenda behind the bio robotic grey aliens genetic manipulation of certain human races Reveals the Grey s nature as sophisticated self aware machines created by a long vanished extraterrestrial civilization Explains how their quest to capture human souls appears in the historical record from biblical times Explains how the phenomenon of racism is a by product of their genetic tampering In 1997 Nigel Kerner first introduced the notion of aliens known as Greys coming to Earth explaining that Greys are sophisticated biological robots created by an extraterrestrial civilization they have long since outlived In this new book Kerner reveals that the Greys are seeking to master death by obtaining something humans possess that they do not souls Through the manipulation of human DNA these aliens hope to create their own souls and thereby escape the entropic grip of the material universe in favor of the timeless realm of spirit Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague humanity such as violence greed and maliciousness Racism he contends was developed by the aliens to prevent their genetic experiments from being compromised by breeding

with others outside their influence Examining historical records Kerner shows that Jesus who represented an uncorrupted genetic line warned his disciples about the threat posed by these alien interlopers while Hitler a pure product of this alien intelligence waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering Despite the powerful grip the Greys have on humanity Kerner says that all hope is not lost Greys exist wholly in the material world so if we follow the spiritual laws of reincarnation and karma aiming for enlightenment and rising above the material a state the Greys are unable to reach we can free ourselves from their grasp Quarterback Dad Bobby Mercer,Alison D.
